

## Night work on the Pacific Highway and Wyong Road intersection, Tuggerah from Sunday 8 January

### The NSW Government is funding this \$84 million project to improve traffic flow and safety at the intersection.

Roads and Maritime Services will be doing night work as part of major construction on the Wyong Road upgrade at Tuggerah.

We previously notified the community about this work in October but it was postponed to allow for more preparation. Work still involves milling, asphaltting and linemarking as well as installing some traffic barriers. We have included a map to show where the work will be happening.

The work is to be completed at night as road closures are required (see 'Traffic changes' for details).

This work will take **six weeks** from **Sunday 8 January 2017**. Our working hours will be from **7pm to 5am Sundays to Thursdays**, weather permitting.

Work will also continue during standard construction hours from Monday to Friday between 7am and 6pm and Saturdays between 8am and 1pm, excluding public holidays.

### How will the work affect you?

This work will be noisy, while some vibration may be felt from rollers. We are conscious of the effect this may have on surrounding residents and businesses. We will make every effort to minimise noise including working in different locations throughout the six weeks.

Sound barriers currently installed at the corner of Wyong Road and Pacific Highway will stay in place throughout the work to minimise noise.

### Traffic changes

There will be temporary traffic changes and traffic control in place each night to direct traffic and ensure each work zone is safe. Access to Pacific Highway from the roundabout heading south to Kangy Angy will be closed on most nights with a **detour in place around Gavenlock Road**. Traffic Controllers will be onsite to assist residents. If you have any questions about the detour contact Seymour Whyte Constructions on the number below.

Lane closures will be in place and traffic may be managed under stop/slow arrangements, which may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App for iPhone, iPad and Android.

---

## Christmas close down

Work will stop during the Christmas period with a break scheduled from Friday 23 December 2016 until Sunday 8 January 2017.

## Contact

All enquiries should be directed to our delivery partner Seymour Whyte Constructions on 1300 139 249 (24 hours). For more information on the project, visit [rms.nsw.gov.au/tuggerah](http://rms.nsw.gov.au/tuggerah).

Thank you for your patience during this important work.

## Night work areas from Sunday 8 January 2017

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1300 139 249

#### Arabic
