## Night work delays on the Pacific Highway and Wyong Road intersection, Tuggerah

**The NSW Government is funding this \$84 million project to improve traffic flow and safety at the intersection.**

Roads and Maritime Services are doing night work as part of major construction on the Wyong Road upgrade at Tuggerah.

Since night work started in January, delays have been experienced due to wet weather and the current period of night work must now be extended. Work still involves milling, asphaltting and linemarking as well as installing some traffic barriers. We have included a map to show where the work is happening.

The work will take place at night to minimise disruption to motorists as some road closures are required. This work is expected to be finished in the first week of May, weather permitting.

Our planned working hours will be between **7pm and 5am from Sunday to Thursday**, weather permitting. Night work is also planned for **Friday 21 and 28 April** instead of the public holidays.

Work will continue during standard construction hours from Monday to Friday between 7am and 6pm and Saturdays between 8am and 1pm, excluding public holidays.

### How will the work affect you?

This work will be noisy and vibration may be felt from rollers and we are conscious of the effect this may have on surrounding residents and businesses. We will make every effort to minimise noise including completing the noisiest work before 11pm and working in different locations throughout the construction period.

Acoustic barriers currently installed at the corner of Wyong Road and Pacific Highway will remain in place throughout the works to minimise noise impact.

### Traffic changes

There will be temporary traffic changes and traffic control in place each night to direct traffic and ensure each work zone is safe.

Access to Pacific Highway from the roundabout heading south to Kangy Angy will be closed on most nights with a **detour in place around Gavenlock Road**. Traffic Controllers will be onsite to assist residents. If you have any questions about the detour contact Seymour Whyte Construction on the number below.

Lane closures will be in place and traffic may be managed under stop/slow arrangements, which may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App for iPhone, iPad and Android.

---

## Contact

All enquiries should be directed to our delivery partner Seymour Whyte Constructions on 1300 139 249. For more information on the project, visit [rms.nsw.gov.au/tuggerah](http://rms.nsw.gov.au/tuggerah).

Thank you for your patience during this important work.

## Night work areas

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1300 139 249

#### Arabic

إذا كنتم بحاجة إلى مترجم، الرجاء الاتصال بخدمة الترجمة الخطية والشفهية (TIS National) على الرقم **131 450**، والطلب منهم الاتصال بوكالتكم Roads and Maritime Services على الرقم 1300 139 249
