Night work on Parramatta Road and Shaftesbury Road, Concord from Friday 29 June

The NSW Government is funding this investigation as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors.

Roads and Maritime Services will be carrying out night investigation work on Parramatta Road and Shaftesbury Road in Concord.

The work will include drilling to establish ground conditions and surveying to locate underground utilities to help further develop the design for the intersection improvements.

We have included a map to show the location of the investigation work.

Our work schedule

We will be on site for **nine night shifts** between **Friday 29 June** and **Thursday 30 August**, weather permitting. Our night work hours will be between **8pm** to **5am** from **Sunday** to **Friday**.

How will the work affect you?

Our work will be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
Contact

If you have any questions, please contact our project manager, Henry Mi, on 1800 572 004 during business hours or pinchpoint@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
