

# Investigation work on Pennant Hills Road and North Rocks Road, Carlingford

The NSW Government is looking into ways to reduce congestion and improve travel times on Sydney's busiest road.

Each day nearly 60,000 vehicles travel through the Pennant Hills Road and North Rocks Road intersection. These motorists are experiencing congestion, long delays and slow travel times. Later this year, Transport for NSW will seek feedback from the community on our new proposal to improve this intersection.

To help progress this work, we need to carry out investigations on Pennant Hills Road and North Rocks Road. From Monday, 19 October we will start investigation on Pennant Hills Road and North Rocks Road between Murray Farm Road and Woodstock Road.

This work will include surveying to understand the condition of the existing road, drainage, geological condition and utility investigations to identify the type and location of utilities, such as water, gas, electricity and telecommunications infrastructure.

## Our work schedule

We will be on site for **ten night and ten day shifts**, between **Monday 19 October** and **Friday 18 December**, weather permitting.

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday**.

Our night work hours will be between **6pm** and **7am** from **Sunday** to **Friday**.

## Contact

If you have any questions, please contact us on **1800 572 004** or at **pinchpoint@rms.nsw.gov.au**

For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.

## How will the work affect you?

Some of our work will occur during the day, however, we will need to carry out some of this work at night to minimise the impact on traffic and to ensure the safety of our workers.

We will be working up to five nights a week. Our work will progress along the street and will not take place in the same location for more than three nights in a row.

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by midnight.

## Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 572 004
