

Acacia Road north closure at Princes Highway, Kirrawee from 26 November

The NSW Government is investing in easing congestion and improving travel times on Sydney's key corridors.

Roads and Maritime Services are upgrading the Princes Highway at the intersection of Kingsway, Oak Road and Acacia Road and the intersection of Acacia Road and President Avenue. These upgrades will improve traffic flow, travel times and safety for all road users, particularly during peak periods.

The work requires the closure of the left turn access to Acacia Road north of Princes Highway from Monday 26 November for about nine months, weather permitting. Access will be available for residents from Auburn Street and Clio Street. Pedestrian access will be maintained at all times, although temporary detours may be in place.

We will also be working during extended day time hours on the service road between Acacia Road and Bath Road to complete service relocations.

What's happening at Acacia Road north?

Work while the closure is in place will include

- Power poles and overhead power lines will be moved to allow room for road widening
- Existing footpaths, kerbs and fences will be replaced following services relocation
- New road surface and kerbs will be constructed and new line markings painted.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks such as jackhammering and saw cutting by midnight, using non-tonal reversing alarms on heavy vehicles, switching off plant equipment when not in use, and staging the work in different locations. Street parking in the work zone will be restricted during the road closure.

Extended day work hours between Acacia Road and Bath Road

Roads and Maritime is also completing service relocation work on the service road between Acacia Road and Bath Road as part of this upgrade. To complete the relocations we need to work extended hours during the day until **March 2019**, weather permitting, but will not be working at night. Our extended day work hours on this stretch of the Princes Highway will be **7am to 7pm** on weekdays and **8am to 6pm** on Saturdays.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have questions or concerns regarding the project, please contact our delivery partner, NACE, on 1300 556 889 or kirrawee@nace.com.au. For more information on our project, visit rms.nsw.gov.au/aokp.
