

Princes Highway Upgrade, Kirrawee

Project update

Roads and Maritime Services | March 2019

President Avenue and Acacia Road intersection

Roads and Maritime Services is making improvements to the intersection of Princes Highway with Kingsway, Oak Road and Acacia Road, and the intersection of Acacia Road with President Avenue to help improve traffic flow, travel times and safety for all road users.

Work to date

Since work started in April 2018 we have:

- set up the site compound
- started work to upgrade the central median on Princes Highway
- moved services and started to relocate utilities on Princes Highway and President Avenue
- completed President Avenue work with new medians, upgraded turning lanes, new lights and right turn peak hours ban to improve traffic flow.

What's happening in the area

- Improvements to Princes Highway and Port Hacking Road intersection are now open to traffic.
- Work to upgrade the intersection of Taren Point Road, Captain Cook Drive and The Boulevard has started.
- Kirrawee Pedestrian Bridge major work will start this month.
- Early work at Elouera Road and Kingsway, Cronulla is complete with major work coming in mid-2019.
- Three intersection upgrades along Kingsway were opened to traffic in 2018.

What's happening next?

- Construction of a southbound slip lane at Kingsway, and opening of third right turn bay onto Kingsway for eastbound traffic.
- Night work will continue along Princes Highway and Acacia Road.
- Set up of an additional site compound on the corner of The Boulevard and Wandella Road, Miranda.
- Drainage work at Acacia Road south will continue.
- Traffic light upgrades will continue in stages.
- Construction of the service road will continue.
- Construction of the retaining walls on the service road along Princes Highway.

Our work schedule

Between **March** and **June 2019** we will be working **five nights** and **six days a week**, weather permitting.

Our night work hours will be between **8pm** and **5am** from **Monday** to **Friday**.

Our day work hours will be between **7am** and **7pm** from **Monday** to **Friday** and **8am** to **5pm Saturdays**.

Work will not be carried out on public holidays.

Pedestrian access detours

Several pedestrian detours are in place within the project site. Until the end of June 2019, there will be a temporary footpath closure along the western side of Princes Highway between Oak and Bath roads. Pedestrians will need to walk down Oak Road, along Monro Avenue and up Bath Road as a detour while this closure is in place. There will be no impact to residential driveway access.

All businesses in the work area can also be accessed on foot from Monro Avenue, Oak Road or Bath Road. Signage and traffic control will be in place to assist pedestrians, if required.

Noise management

Roads and Maritime understands that noise during road construction can be a source of frustration for residents living near our project. We are committed to finding the right balance between minimising the impact to residents and the need to complete the road construction for the wider community.
