On 2 April 2020 Transport for NSW will begin work to upgrade the intersection of Princes Highway and The Boulevarde, Kirrawee.

What we are doing

The project includes:

- re-location of utilities and services
- widening the intersection to accommodate two right-turn lanes and exit lanes northbound from The Boulevarde into Princes Highway
- extending the left slip lane from Princes Highway onto The Boulevarde (eastbound)
- constructing a traffic island to improve pedestrian safety and to separate traffic turning left and right from The Boulevarde into Princes Highway
- closing the service road exit to motor vehicle traffic at The Boulevarde (continued through access for cyclists and pedestrians)
- removing trees installing new kerbs and pavement, relocating utilities, asphalting and line marking.

Our work schedule

Due to high traffic volumes, construction will mainly be carried out at night. Our schedule involves working up to five nights a week between 2 April 2020 and early-2021, weather permitting, excluding public holidays.

Our night work hours will be between 8pm and 5am from Sunday to Friday. Our day work hours are from 7am to 6pm, Monday to Friday, and 8am to 1pm on Saturdays.

Site compound

Our site compound throughout the construction of this project will be located at the intersection of The Kingsway and Sylvania Road. The compound will be used for site offices, and to store materials and machinery and may be in use any time work is taking place on the intersection of Princes Highway and The Boulevarde.
March 2020
Privacy Transport for NSW ("TfNSW") is subject to the Privacy and Personal Information Protection Act 1998 ("PPiP Act") which requires that we comply with the Information Privacy Principles set out in the PPiP Act. All information in correspondence is collected for the sole purpose of assisting in the delivery of this project. The information received, including names and addresses of respondents, may be published in subsequent documents unless a clear indication is given in the correspondence that all or part of that information is not to be published. Otherwise we will only disclose your personal information, without your consent, if authorised by the law. Your personal information will be held by us at 27 Argyle Street, Parramatta. You have the right to access and correct the information if you believe that it is incorrect.

Contact us
If you have any questions or would like more information on the project please contact our delivery partner, Ventia Boral Amey Joint Venture:

1800 677 700
nswenquiries@vbajv.com.au
If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 677 700.

How will the work affect you?

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier activities, such as concrete cutting, chain sawing and jack hammering, by midnight.

We are not carrying out construction work at the site compound. We won’t be jackhammering, drilling, concreting or making other loud construction noise.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Princes Highway and The Boulevarde proposed intersection improvements

Alternative route to access The Boulevarde from Princes Highway Service road

Proposed dedicated left turn lane from Princes Highway to The Boulevarde

Closing access to service road
