BUILDING OUR FUTURE

October 2015

Richmond Intersection Improvements Stage 1: Project completion

The Australian and NSW governments are reducing congestion on Richmond Bridge and approaches to cater for current and future traffic needs.

The Australian Government has committed \$18 million in funding to improve traffic conditions at three intersections.

Roads and Maritime Services developed the proposal for improvements at the intersection of Kurrajong and Old Kurrajong roads, Richmond.

We invited the community and stakeholders to provide feedback on this proposal in August 2014. We received comments from 17 people and organisations about the design, congestion in the area and traffic management. A consultation report is available on the Roads and Maritime website. Construction work was carried out from March 2015 to October 2015. The work included:

- Widening the intersection to allow for a dedicated right turn lane from Kurrajong Road into Old Kurrajong Road for motorists travelling south
- Providing a dedicated left turn lane from Old Kurrajong Road into Kurrajong Road including a westbound acceleration lane.

During the coming month, the project team will complete the final stages including landscaping, the removal of the project site office and other minor work.

Thank you again for your patience throughout construction. Your support is important as we continue to deliver safer and more efficient journeys throughout NSW.

Update for Richmond Intersection Improvements Stage 2

Roads and Maritime Services wrote to the community to request feedback on Stage 2 work in October 2015. As part of Stage 2 work, Roads and Maritime is proposing to upgrade the intersections at Bells Line of Road and Grose Vale Road, North Richmond and March Street and Bosworth Street, Richmond. The consultation period was scheduled to close on Wednesday 14 October however, due to a high interest in the work, Roads and Maritime has extended the consultation period to 29 November.

The community is encouraged to provide feedback by contacting our delivery partner on:

Email: enquiries_nsw@downermouchel.com

Mail: DownerMouchel, Richmond Intersection Improvements – Stage 2
PO Box 6465, North Ryde

Contact

The project team is still available, so if you have any questions about this work, please call our delivery partner DownerMouchel on 1800 332 660 or email enquiries_nsw@downermouchel.com.

Thank you for your patience during this important work.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App. For more information on our projects, visit rms.nsw.gov.au

Translating and Interpreting Service

If you need an interpreter, please call TIS National on **131 450** and ask them to call DownerMouchel on **1800 332 660**.

Arabic

إذا كنتم بحاجة إلى مترجم، الرجاء الاتصال بخدمة الترجمة الخطية والتفوية (TIS National) على الرقم 1800 332 660 ، و الطلب منهم الاتصال بوكلتكم DownerMouchel على الرقم 1800 332 660
