## Temporary closure and night work on Old Kurrajong Road, Richmond from Sunday 9 August

**The Australian and NSW governments are reducing congestion on Richmond Bridge and approaches to cater for current and future traffic needs. The Australian Government has committed \$18 million in funding to improve traffic conditions at three intersections**

Roads and Maritime Services is currently upgrading the intersection of Kurrajong Road and Old Kurrajong Road. This work includes:

- Widening the intersection to allow for a dedicated right turn lane from Kurrajong Road into Old Kurrajong Road for motorists travelling south
- Providing a dedicated left turn lane from Old Kurrajong Road into Kurrajong Road including a westbound acceleration lane.

As part of this work, Roads and Maritime will close Old Kurrajong Road, north of Kurrajong Road, Richmond, for 10 days from **Sunday 9 August until Wednesday 19 August**, weather permitting. Motorists can access Old Kurrajong Road via Chapel Street and Windsor Street, Richmond.

To minimise traffic disruptions, we will carry out a further **12** shifts of night work from **8pm to 5am** from **Sunday 9 August to Friday 16 October**, weather permitting.

### How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations and carrying out the noisiest work before 11pm.

### Traffic changes

There will be some temporary traffic changes to make sure the work zone is safe. Detours will be in place during the closure of Old Kurrajong. We have included a map to help better explain the location of this road closure and night work.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the directions of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App for iPhone, iPad and Android.
