

Night work on Boundary Street, Roseville from Monday 11 April

The NSW Government is funding this \$20 million project between the Pacific Highway and Melnotte Avenue as part of its \$246 million Pinch Point Program, which aims to reduce delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

In January and February 2016, Roads and Maritime Services sought community feedback on a proposal to work up to **five nights** a week and carry out noisier work until **midnight** for an 18 month period.

We received comments from 14 people who raised 23 matters. Key points included the night work construction schedule, the overall project, the consultation process and construction. We have prepared a Community Consultation Report, which summarises the feedback and our responses. A copy of this report is available at rms.nsw.gov.au/projects or by contacting the project team.

What happens next?

Following a review of the comments, we have decided to proceed with the proposed schedule and will work with local residents to minimise impacts where possible. Our night work schedule is:

- **March 2016 to May 2016** - Utility adjustments, stormwater drainage and road widening on Boundary Street east of the railway bridge
- **June 2016 to September 2016** - Utility adjustments, stormwater drainage and road widening on Boundary Street west of the railway bridge and widening on the Pacific Highway
- **October to January 2017** - Completing road widening and starting construction of medians, asphaltting, line marking and installing new traffic lights at the intersection of Boundary Street and the Pacific Highway
- **January 2017 to mid-2017** - Asphaltting, landscaping and final drainage work.

We will be working **40 nights** between **Monday 11 April** and **Saturday 11 June 2016**. Our working hours will be from **8pm to 5am**, with noisier work before **midnight**. More night shifts will be needed after June and we'll notify residents before we start.

We will also continue carrying out work during standard construction hours which are 7am to 6pm, Monday to Friday and 8am to 1pm on Saturdays.

Temporary traffic and pedestrian changes

Some additional changes to traffic and pedestrian movements will be in place between **Friday 8 April** and **Sunday 24 April** including:

- No access into Hill Street from Boundary Street will continue
-

- Hill Street will remain one way southbound between Victoria Street and Boundary Street to allow vehicles to turn left into Boundary Street
- An eastbound lane on Boundary Street, east of Archer Street, will be closed
- Both right turn lanes from Archer Street into Boundary Street will merge to one lane on Boundary Street.

We have included a map to help explain the changes.

Contact

If you have any questions, please contact our delivery partner DownerMouchel on 1800 332 660 or email enquiries_nsw@downermouchel.com. For more information on our projects, visit rms.nsw.gov.au

Translating and Interpreting Service

If you need an interpreter, please call TIS National on **131 450** and ask them to call DownerMouchel on **1800 332 660**.

Arabic
