Start of work on a new marina at the rear of 2 Water Street, Sans Souci from Friday 21 February 2020

The NSW Government is building a new marina behind the Marine Centre at Sans Souci

The new marina will be built to support the marine centre operations for NSW Police, Department of Primary Industries (Fisheries) and NSW Maritime.

Transport for NSW will carry out the work including the demolition of the existing timber jetty and marina, part of the boat ramp, and building the replacement facility.

Work will include widening the existing boat ramp to a dual lane boat ramp and pontoon and upgrading the electrical and hydraulic services to the marina.

The new marina will include:

- six double berths
- a single berth
- six high density pontoons for storage of personal watercraft, such as jetskis
- two double berths suitable for mobile boat lifts, such as AirBerths
We will be working between 7am and 6pm from Monday to Friday and 8am to 1pm on Saturdays. No work will be carried out on Sundays or public holidays and work is expected to be complete by August 2020, weather permitting.

Transport for NSW will advise in advance if work needs to be completed outside of these times.

Work schedule
Site establishment and early work will start from Friday 21 February 2020. Early work will include:

- Setting up a site compound at the rear of the building
- Stockpiling materials and equipment.

Demolition of the existing structure followed by building work is expected to start in late February.

How will the work affect you?
The work will involve the use of machinery which generates some noise and we will make every effort to minimise noise by turning off machinery and vehicles when not in use. Noisier activities such as piling will only be carried out between the following times:

- 8.30am and 12pm, and 1.30pm and 6pm on weekdays
- 9am and 12pm on Saturdays

Traffic changes
There may be an increase in traffic with trucks carrying materials and heavy equipment to and from the site. Temporary traffic changes may be needed from time to time for the safety of workers and road users and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.

Parking in the vicinity may be affected due to an increased number of vehicles in the area from Marine Centre staff and construction workers.

Contact
If you have any questions, please contact us

- By phone on 1800 314 547 on weekdays between 9am and 5pm
- By email at SSMarineCentre@rms.nsw.gov.au

Thank you for your patience during this important work.
