

Improvements to Stacey Street & Fairford Road, Bankstown

Project update

Transport for NSW | October 2020

Construction is continuing on the widening of Stacey Street northbound to provide an additional lane between Macauley Avenue and Stanley Street and upgrade the intersections of Macauley Avenue and Stanley Street.

Project benefits

Reduced congestion on Stacey Street and Fairford Road by providing additional north and south bound lanes on Stacey Street.

By providing dual right turning lanes and a dedicated bus lane onto Fairford Road, it will be easier to access Macauley Avenue.

Traffic flow will be improved onto Stanley Street from Stacey Street by extending the right turning bay.

Works overall will provide improved travel time, journey reliability, and safety for all road users in this area.

Work to date

- construction of retaining wall and capping beam for Stacey Street North-bound
- water main upgrade
- construction of new 3rd lane north-bound on Fairford Road
- commenced storm water drainage upgrade between Macauley Avenue and Stanley Street

What's happening next

- continue construction of new third lane north-bound between Macauley Avenue and Stanley Street
- continue construction of new turn lane and median island north of Stanley Street
- upgrade of storm water drainage north-bound between Macauley Avenue and Stanley Street

Traffic Changes

From mid-October, temporary changes will be made to the northbound lane configuration along Stacey Street to allow work to carry on during the day.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Our work schedule

We will be onsite for up to **20 night shifts** from **Thursday 1 October** to **Wednesday 2 December**, weather permitting. Our night shift hours will be between **8pm** and **5am** from **Sunday** to **Thursday**.

Our day shift hours are between **7am** and **6pm** from **Monday** to **Friday**. We will work between **8am** and **5pm** on **Saturdays**.

Our work may be noisy at times but we will do everything we can to minimise its impact, including implementing noise mitigation measures and completing the noisier activities such as concrete cutting, and jack hammering by **midnight**.

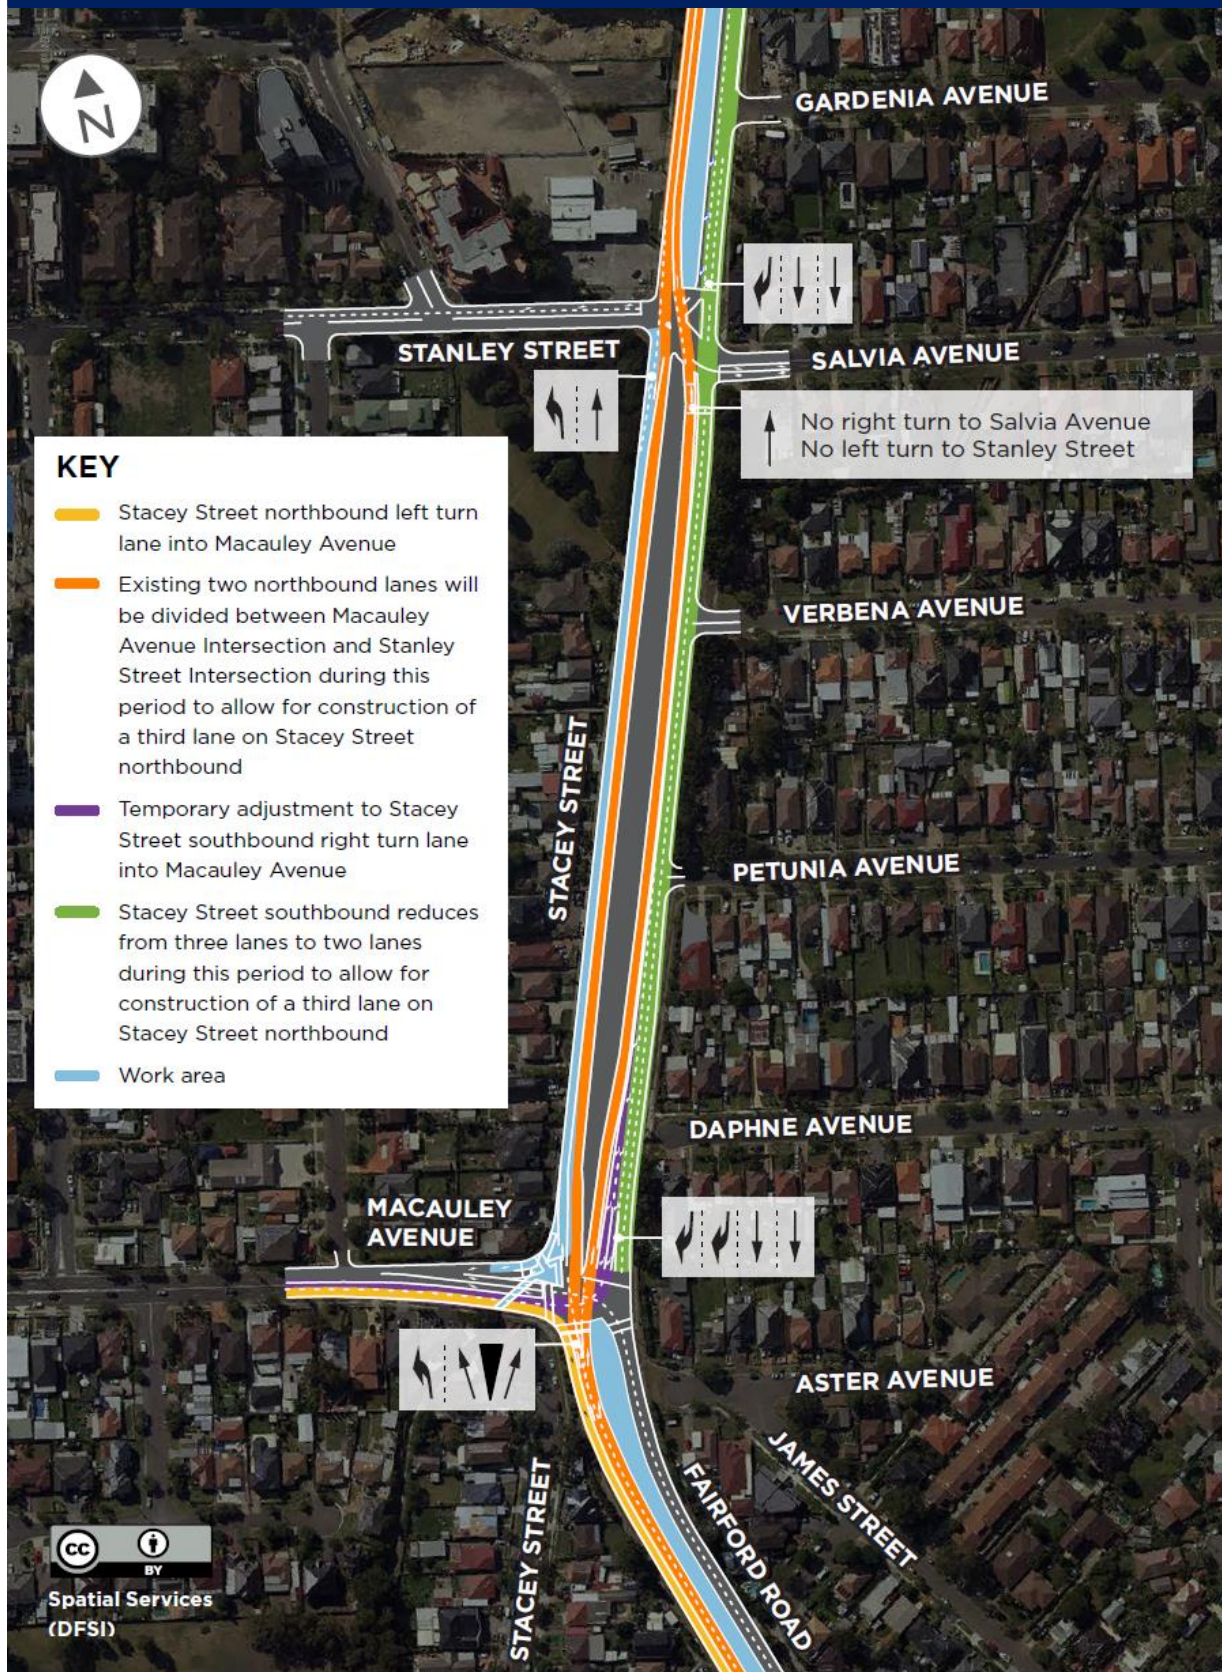

Engaging with the community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community. Please be assured we will continue to respond to any questions or concerns you may have about our work.

Noise Wall Fairford Road works

The VBA JV are carrying out works to build a noise wall between Stacey Street and Macauley Avenue near our works. This work started on **7 September** and will be completed by **end of March 2021**.

Temporary traffic switch between Stanley Street and Macauley Avenue, October – December 2020
