

Clearways 'At All Times' on Airport Drive, Qantas Drive, Joyce Drive and General Holmes Drive

The NSW Government is funding this project as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

The NSW Government is installing new clearways on Airport Drive, Qantas Drive, Joyce Drive and General Holmes Drive between Marsh Street, Arncliffe and Mill Pond Drive, Mascot. The new clearways will be open to traffic from **Monday 19 August 2019**.

On General Holmes Drive between Botany Road and Mill Pond Drive, the new 'At All Times' clearways will replace the existing 6am-10am and 3pm-7pm weekday clearways.

The new 'At All Times' clearways on Airport Drive, Qantas Drive, Joyce Drive and General Holmes Drive will connect the existing 'At All Times' clearways on Marsh Street and Southern Cross Drive. This will allow towing of vehicles that stop illegally or breakdown along the corridor, to ensure our customers get to their flights on time.

The new clearway hours will apply in both directions as shown on the map below.

Our work schedule

The new clearways signs will be installed between **Monday 5 August and Sunday 18 August**, weather permitting.

Our working hours will be between **8pm** and **5am**. There will be some noise associated with this work but we will do everything we can to minimise the impact, including completing noisier tasks by 11pm. Some work during daytime hours may occur.

Thank you for your patience during this important work.

How will this affect you?

The new clearways will be open to traffic from **Monday 19 August 2019**. Clearways will allow illegally parked and broken down vehicles to be towed to ensure all lanes are available to move people and goods, helping to ease congestion, improve journey time reliability and safety.

Traffic changes

There will be temporary traffic changes while the signs are installed to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, you can call **132 701**, visit livetraffic.com or download the Live Traffic NSW App.

What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. Clearways are put on key state roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to road users.

To report a vehicle parked or stopped in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on **131 700**.
