

# Airport North Precinct work: May 2020

The NSW Government is upgrading roads north of Sydney's Kingsford Smith Airport to improve traffic flow and connections to and from the Airport and Port Botany.

The priority for this month is to take advantage of the reduced traffic on O'Riordan Street and accelerate our work by occupying an additional southbound lane. This will allow more work to be completed during day shifts. These traffic changes will be in place from Monday 4 May to Monday 1 June. These activities will require temporary traffic changes, which may affect travel times.

We will be reducing O’Riordan Street southbound to one lane to allow construction activities to increase during day shifts. To allow us to do this work, we need to close the right turn into King Street. This traffic change will be in place from **9pm Monday 4 May to 5am Monday 1 June 2020**.

Traffic turning left onto Robey Street will now be able to use the newly-completed slip lane from **Wednesday 20 May**, We will also be installing a construction zone near the rail bridge to complete pavement and footpath work.

## May 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
26	27	28	29	30	1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
31	1	2	3	4	5	6

Key	
<span style="border: 1px solid red; display: inline-block; width: 10px; height: 10px;"></span>	Night shifts (7:30pm to 5am)
<span style="color: green; font-size: 24px; font-weight: bold;">3</span>	No night shifts

General work which will be occurring during May 2020 are:

- road works including removal of old kerb and guttering, potholing, milling, saw cutting, asphaltting and concrete pouring.
- utility investigations and installations, cutovers, installing light poles and traffic signals, drainage work, removing electrical poles and relocating services on O’Riordan Street and side streets.
- installing environmental controls for excavation and material removal along O’Riordan Street
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials
- traffic management and roadwork including temporary traffic changes and ongoing pedestrian detours.

Standard construction hours for the **Airport North project** during COVID-19 are from **7am to 6pm, Monday to Sunday**. Our out of hours working hours are **7:30pm to 5am** Sundays to Fridays.

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment. We will continue to make every effort to minimise the impacts to the local community.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

If you have any questions about the work on either project, please contact our delivery partner, John Holland Group on **1300 862 844** or [comms.airportprecinct@jhq.com.au](mailto:comms.airportprecinct@jhq.com.au).

For more information on our projects, visit [www.rms.nsw.gov.au/sydneyairport](http://www.rms.nsw.gov.au/sydneyairport).

Thank you for your patience during this important work.
