

Airport North Precinct work: August 2020

The NSW Government is upgrading roads north of Sydney's Kingsford Smith Airport to improve traffic flow and connections to and from the Airport and Port Botany.

The priority for this month is to begin the final stages of the project. Landscaping has begun with topsoil, mulch and planting being completed on the eastern side of O'Riordan Street. We will also be completing the centre median and laying the final asphalt across the project.

General work which will be occurring during August 2020 are:

- use of site compound and work zones including excavation and material removal
- service identification, relocation and cutovers, including utility trenching and drainage work, installing light poles, traffic loops, protection slabs, pit lids and traffic signals
- pavement work including concrete pouring and patching, completing footpaths, milling the road, laying and compacting asphalt work. Some of this work will take place in the side streets within the project area including Robey Street, High Street and King Street
- traffic management and roadworks including sign and barrier adjustment and installation, temporary traffic changes and pedestrian detours including the temporary traffic changes along O'Riordan Street.

Standard construction hours for the **Airport North project** during COVID-19 are from **7am to 6pm, Monday to Sunday**. Our out of hours working hours are **7:30pm to 5am, Monday to Sunday**.

Out of hours night shifts for August 2020, weather permitting

AUGUST 2020

Key

Night shifts (7:30pm to 5am)

3 No night shifts

There may be some noise, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, light vehicles, hand tools, concrete trucks and equipment. We will continue to make every effort to minimise the impacts to the local community.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

If you have any questions about the work on either project, please contact our delivery partner, John Holland Group on **1300 862 844** or comms.airportprecinct@jhg.com.au.
