

Slope work on Bradfield Highway off ramp

Transport for NSW | June 2020

Transport for NSW will be carrying out slope work on the off ramp from the Bradfield Highway (Cahill Expressway Northbound), between Sunday 12 July and Thursday 8 October 2020. Works will include de-vegetation, slope remediation and reinforcement works.

Our maintenance work aims to:

- prevent or minimise damage to our road pavement
- preserve the life of existing infrastructure
- improve road user safety, and
- reduce maintenance costs.

Thank you for your patience during this important work.

Engaging with the Community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

How will the work affect you?

Our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to the workers and motorists. Work will be carried out up to five nights per week in order to complete

the work as quickly as possible and reduce the impact on motorists and the community.

It may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
