

# Resurfacing of the Cahill Expressway, Circular Quay

The NSW Government is funding this essential maintenance work program on the Cahill Expressway to improve safety.

Roads and Maritime Services will carry out essential maintenance work on a 550m stretch of the Cahill Expressway. The work will include removing and replacing asphalt, repainting road markings and installing new raised road markers, for improved driver safety.

## Location of work on the Cahill Expressway, Circular Quay

## How will the work affect you?

Our work may be noisy and include extra lighting, however we will do everything we can to minimise its impact including completing noisier work earlier in the evening and directing lights away from residential areas.

There will be a complete closure of The Cahill Expressway, and detours will be in place during the work. Traffic will be diverted to Bridge Street and Grosvenor Street.

## Our work schedule

We are carefully planning this work to minimise disruption in the area. We have planned the work over **three weeks** between **Monday 29th April and Sunday 19th May**.

During this time, we will work up to **five nights a week** for a **total of 13 nights**. Our working hours will be from **9:30pm to 4:30am Sunday to Thursday**.

## Temporary traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place. Please keep to speed limits, follow signs and traffic controllers' directions. Lane closures during night time work are unlikely to affect travel times.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have feedback or concerns about the project or the proposed work schedule, please contact the project team on 1800 581 595 or [sydneyharbourbridgeprojects@rms.nsw.gov.au](mailto:sydneyharbourbridgeprojects@rms.nsw.gov.au).
