

Night work and traffic changes on Jamison Road, South Penrith from Monday 22 February

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is continuing work along The Northern Road between Glenmore Park and Jamison Road. As part of this work, we will need to carry out some key utility work at the intersection of The Northern Road and Jamison Road on **Monday 22 February**.

Map showing work location and road closures

Location, date and time of work

To minimise impact on road users, we will carry out utility work at night on Jamison Road from **7pm Monday 22 February to 5am Tuesday 23 February**, weather permitting. There will be no access to and from Jamison Road to The Northern Road during this time.

Detours will be in place to access Jamison Road west via Fragar Road and Colless Street, and access to Jamison Road east will be via Bringelly Road and Derby street during this closure.

How will the work affect you?

During our work, you may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place to access Jamison Road via Derby Street, Maxwell Street and Fragar Road. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Acciona (formerly Lendlease Engineering) on 1800 870 665 or TNR.community@acciona.com. Thank you for your patience as we carry out this work.
