

Night work and traffic changes on The Northern Road, South Penrith from Friday 29 May

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for New South Wales is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we will need to carry out some night time closures on The Northern Road between Frogmore Road and Jamison Road to complete asphaltting and linemarking. We will also need to carry out some work on Frogmore Road and Tukara Road.

Location, date and time of work

To minimise impact on road users during the day, we will close The Northern Road between Frogmore Road and Jamison Road at night from **9pm Friday 29 May** to **9am Saturday 30 May**. Work will continue from **9pm Saturday 30 May** to **9am Sunday 31 May**, weather permitting.

In the event of bad weather, we may need to reschedule this same work and closure over the following three weekends, if required. We will notify you in advance if we need to repeat this work.

From **9pm Saturday 30 May**, access to Tukuran Road from The Northern Road will be closed, for a period of around six weeks.

How will the work affect you?

During our work, every effort will be made to minimise the impacts on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible

Directly impacted residents will be contacted prior to work commencing

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.
