

## Temporary closure of Garswood Road, Orchard Hills over two consecutive Saturdays: 17 October and 24 October.

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, access to The Northern Road via Garswood Road, Orchard Hills will be temporarily closed on consecutive Saturdays to allow for the construction of new lanes. As notified previously, work on 26 September and 3 October will no longer be taking place.

## Location, date and time of work

To minimise impact on road users, we will temporarily close a small section of Garswood Road on **Saturday 17 October 2020, Saturday 24 October 2020** from **7am to 6pm**, weather permitting. The road will be reopened to traffic at the end of each shift.

## How will the work affect you?

During our work, every effort will be made to minimise the impact on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- directing noise generating equipment away from resident properties where possible.

## Plant and equipment

The project team will use heavy and light vehicles and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access The Northern Road, via St Andrews Drive and Glenmore Parkway. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
