BUILDING OUR FUTURE

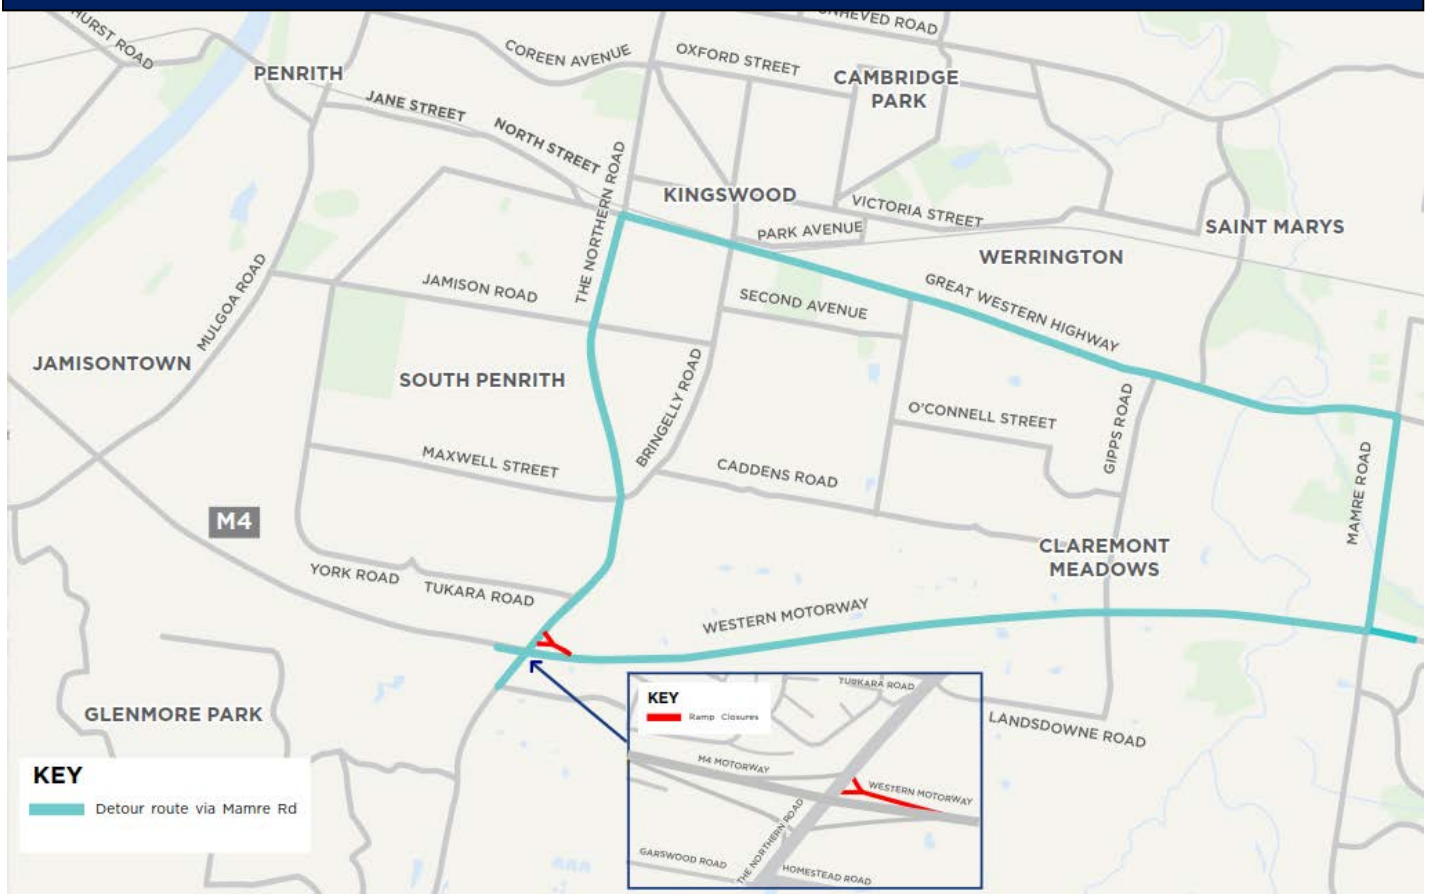

November 2020

Night time ramp closures on the M4 Motorway at The Northern Road from Monday 23 November

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Transport for NSW is continuing work along The Northern Road between Glenmore Park and South Penrith. We will need to temporarily close the eastbound on ramp from The Northern Road to the M4 Motorway at night on **Monday 23 November and Tuesday 24 November**. In case of bad weather on these dates we will do this work on **Wednesday 25 November and Thursday 26 November 2020**.

Temporary M4 Motorway ramp closures and proposed detours

M4 Motorway temporary ramp closures

During this work the eastbound on ramp from The Northern Road to the M4 Motorway will be closed from **8pm Monday 23 November to 5am Tuesday 24 November** and from **8pm Tuesday 24 November to 8am Wednesday 25 November**. **Alternatively, if delayed by weather, the ramp closures will take place from 8pm Wednesday 25 November to 5am Thursday 26 November and from 8pm Thursday 26 November to 5am Friday 27 November.** Road users will be advised using electronic message signs in the area.

When the ramp is closed, detours will be in place to enter the M4 Motorway via Mamre Road.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and road users. Traffic control and electronic message signs will also be in place to direct road users through these changes

How will the work affect you?

During our work, you may experience some noise and extra light and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
