

# Night work and closure of The Northern Road between Tukara Road and Jamison Road, South Penrith on Sunday 25 October

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is continuing work along The Northern Road between Glenmore Park and South Penrith. To progress important work on this section of the project, we need to temporarily close The Northern Road between Tukara Road and Jamison Road, and a small section of Maxwell Street and Bringelly Road. Detours will be in place as per the map below.

# Upcoming night work and road closures

This work will take place on **Sunday 25 October** and includes the following, weather permitting:

- Temporarily closing access to Maxwell Street, Bringelly Road, Aspen Street and Smith Street from The Northern Road from **4pm Sunday 25 October** to **5am Monday 26 October**
- Temporarily closing The Northern Road between Tukara Road and Jamison Road from **8pm Sunday 25 October** to **5am Monday 26 October**.

Detours will be in place with access to Maxwell Street from The Northern Road via Jamison Road and Tukara Road. Access to Bringelly Road from The Northern Road will be via Jamison Road and Frogmore Road. Aspen Street and access to the businesses located on Aspen Street is available via the Maxwell Street entrance. Access to Smith Street west will be via Tukara Road and Frogmore Road and access to Smith Street east will be via Frogmore Road, Kingswood Road, Caddens Road and Bringelly Road.

The following changes will be in place after this work from **5am Monday 26 October** weather permitting:

- A new dedicated left turn lane into Maxwell Street off The Northern Road northbound
- A new dedicated left turn lane into The Northern Road northbound off Maxwell Street.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## How will the work affect you?

You may experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

## Contact

If you have any questions or complaints, please contact our delivery partner Acciona (formerly Lendlease Engineering) on 1800 870 665 or [TNR.community@acciona.com](mailto:TNR.community@acciona.com). Thank you for your patience as we carry out this work.
