BUILDING OUR FUTURE

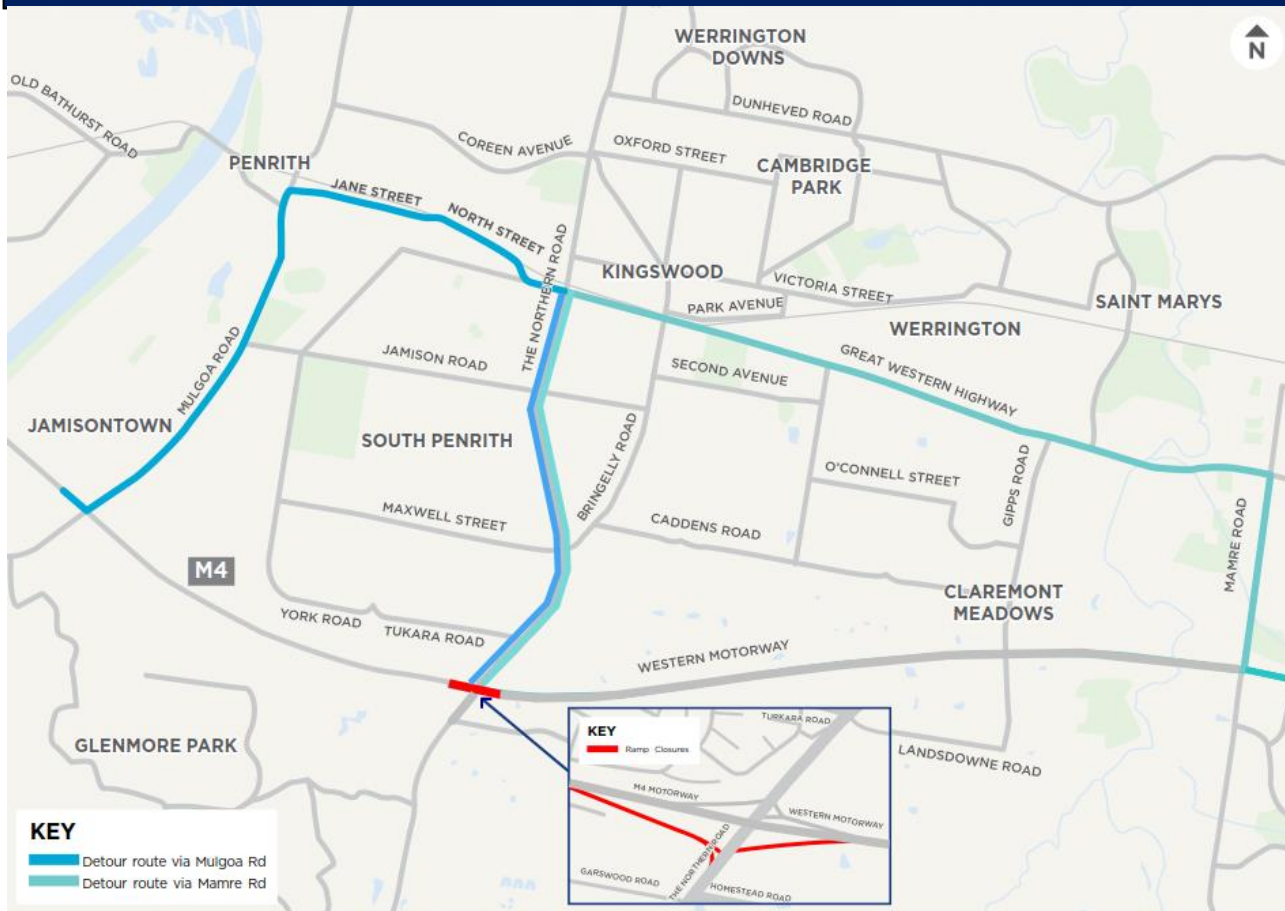

October 2020

Night time ramp closures on the M4 Motorway at The Northern Road from Friday 23 October

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Transport for NSW is continuing work along The Northern Road between Glenmore Park and South Penrith. To carry out asphaltting and line marking, we will temporarily be closing the westbound ramps at the M4 Motorway and The Northern Road intersection.

Temporary M4 Motorway ramp closures and proposed detours

M4 Motorway temporary ramp closures

During this work both the westbound on and off ramps at the M4 Motorway and The Northern Road Interchange will be closed from **8pm Friday 23 October** to **9am Saturday 24 October** and from **8pm Saturday 24 October** to **9am Sunday 25 October**, weather permitting. Road users will be advised using electronic message signs in the area.

When the ramps are closed, detours will be in place to enter and exit the M4 Motorway via Mulgoa Road and Mamre Road.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and road users. Traffic control and electronic message signs will also be in place to direct road users through these changes

How will the work affect you?

During our work, you may experience some noise and extra light and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
