

Night work and road closure at The Northern Road and Glenmore Parkway intersection, Orchard Hills from Wednesday 5 August

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Transport for NSW is continuing work on The Northern Road upgrade between Glenmore Park and South Penrith.

Recently, we replaced the roundabout The Northern Road and Glenmore Parkway/Wentworth Road intersection with new traffic lights to improve congestion and travel times in the area. We would like to thank the community for their patience while we carried out this important work.

Upcoming night road closures

To continue our important work at this intersection, we need to finalise building the new medians, installing shared paths, finishing and landscaping work, and line marking. Work on the new Glenmore Parkway roundabout will also start during this period.

There will be temporary closures up to **three** night work shifts, as needed on:

- **Wednesdays**
- **Fridays**
- **Saturdays**

between **Wednesday 5 August** and **Saturday 31 October**, weather permitting.

Our work hours will be:

- **9pm to 5am on weekdays**
- **9pm to 9am on weekends**

We will contact any directly impacted residents before work starts.

New traffic lights are now operating at the intersection of The Northern Road, Glenmore Parkway and Wentworth Road

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and road users. Electronic message signs will also be in place to direct road users through these changes.

Detours will be in place during the road closures. Access to Glenmore Parkway will be via Bradley Street and Glengarry Drive, or alternatively, Garswood Road and St Andrews Drive. Access to Wentworth Road will be via Frogmore Road and Kingswood Road.

Access to Penrith Golf Club will remain in its current position off The Northern Road northbound for a short period until it moves to its ultimate location off Glenmore Parkway. There will be temporary signage in place directing customers to the golf course to facilitate these changes. Motorists travelling southbound will need to perform a U-turn on Bradley Street at the Glengarry Drive intersection.

Road users are encouraged to avoid the area if possible during the closures and instead use the Mulgoa Road entrance and exit to Glenmore Park.

Please plan ahead and allow extra travel time for the detours that will be in place.

How will the work affect you?

During our work, we will make every effort to minimise the impact on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible

The project team will use a variety of machinery to excavate the existing road and install drainage. These include excavators, bogie trucks, road saws, heavy and light vehicles, lighting towers, and power and hand tools.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the **Live Traffic NSW** App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
