

Traffic changes and night work at The Northern Road and intersections south of the M4 from Monday 9 November

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

To continue important work at the southern end of the project, we need to finalise asphaltting, signage installation, line marking and landscaping work. The intersections where we will be working include Garswood Road, Homestead Road, Glenmore Parkway and Wentworth Road.

Map showing location of work

Location, date and time of work

There will be temporary closures during night shifts, as needed, between **Sunday 15 November** and **Sunday 28 February**, weather permitting. Work will not exceed more than two consecutive nights in the same location. Directly impacted residents will be notified in advance about dates and detours.

Our work hours will be from **9pm to 5am** on **weekdays** and from **9pm to 9am** on **weekends**.

There will be no work carried out during the Christmas and New Year period between **Saturday 19 December 2020** and **Sunday 3 January 2021**.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and road users. Electronic message signs will also be in place to direct road users through these changes.

Road users are encouraged to avoid the area if possible during the closures.

Please plan ahead and allow extra travel time for the detours that will be in place.

How will the work affect you?

During our work, we will make every effort to minimise the impact on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the **Live Traffic NSW** App.

Contact

If you have any questions or complaints, please contact our delivery partner Acciona on 1800 870 665 or TNR.community@acciona.com. Thank you for your patience as we carry out this work.
