

# Work starting on the M4 Motorway westbound off ramp landscape mound from Monday 19 October

The Australian and NSW governments are delivering the \$1.6 billion The Northern Road upgrade between Narellan and Penrith.

Transport for NSW invited feedback in June to establish landscape mounds alongside the M4 Motorway corridor. The proposed mounds would consist of excess clean fill material we have taken from our earthwork in other areas of the project.

Reusing the project’s excess fill material in the proposed landscape mounds would provide a far more environmentally sustainable outcome than disposing it at a licensed waste facility. There would also be a significant cost saving to reuse the fill in this way, improving value for money for the project. The mounds would also provide a barrier between properties and the M4 Motorway

Following this consultation, we have decided to proceed with the proposal unchanged. We thank everyone who took part in the consultation process.

## Our work schedule

We will begin work from **Monday 19 October** and work is expected to be completed by mid-2021. This work will take place during standard construction hours which are between **7am** and **5pm Mondays to Fridays** and, between **8am** and **1pm on Saturdays**. Due to Covid-19, we are also allowed to work extended hours on **Saturdays** from **7am** to **6pm**, if needed.

The work will include:

- Tree removal
- Construction and maintenance of temporary access track
- Stockpiling and compaction
- Landscaping
- Truck movements.

## How will the work affect you?

The work will be noisy at times, but we will do everything we can to minimise its impact, including:

- completing the noisier tasks before 5pm
- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible

## Traffic changes

There may be some temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place on the M4 westbound and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

Please contact our delivery partner Acciona (formerly Lendlease Engineering) on 1800 870 665 or [tnr.community@acciona.com](mailto:tnr.community@acciona.com) if you would like further details on the work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 870 665.
