

# Night work and traffic changes on Homestead Road, Orchard Hills

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we are installing new street lights along Homestead Road, Orchard Hills.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and road users. Detours will be in place to access **Homestead Road via Wentworth Road, Kingswood Road and Frogmore Road**. There will be **no access to Homestead Road from The Northern Road** during this closure. Electronic message signs will also be in place to direct road users through these changes.

## Date and time of work

We will need to carry out this work at night to minimise disruption to the road network. We will carry out this work in a single night shift **on Monday 3 February 2020**, weather permitting.

Our work hours will be from **9pm to 5am**.

## How will the work affect you?

During our work, you may also experience some noise and extra light and we will make every effort to minimise the impact by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
