Night time ramp closures on the M4 Motorway at The Northern Road from Friday 11 September

The Australian and NSW Governments are jointly funding this work as part of the $1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Transport for NSW is continuing work along The Northern Road between Glenmore Park and South Penrith. Upcoming work includes:

- M4 Motorway temporary ramp closures – no access to the M4 from The Northern Road and no access to The Northern Road from the M4
- Temporarily closing Garswood Road and Homestead Road intersections with The Northern Road.

Temporary M4 Motorway ramp closures and proposed detours
**M4 Motorway temporary ramp closures**

To prepare for this work we will temporarily close the eastbound off ramp at The Northern Road on **Friday 11 September** from 8pm to 5am, weather permitting. On **Saturday 12 September**, the westbound on and off ramps will both be closed from 8pm to 5am, weather permitting. Detours will be in place for road users to exit at Mulgoa Road, then use Jane Street/North Street to return to The Northern Road.

On the following weekend, all ramps at the M4 Motorway and The Northern Road Interchange will be closed from **8pm Saturday 19 September** to **9am Sunday 20 September** and if required, from **8pm Sunday 20 September** to **5am Monday 21 September**, weather permitting. If this work is postponed due to weather, we will use the following weekend of **26 September**, with the same times and closures. Road users will be advised using electronic message signs in the area.

When the ramps are closed, detours will be in place to enter and exit the M4 Motorway via Mulgoa Road and Mamre Road.

Once complete, this work will provide additional lanes that will improve traffic flow at the interchange.

**Garswood Road and Homestead Road intersection temporary closures**

To minimise impact on road users from this work, we will temporarily close access to and from The Northern Road from Garswood Road and Homestead Road from **8pm Saturday 19 September** to **8am Sunday 20 September** and if required, from **8pm Sunday 20 September** to **5am Monday 21 September**, weather permitting.

To minimise impact on road users from this work, we will temporarily close access to and from The Northern Road from Garswood Road and Homestead Road from **8pm Saturday 19 September** to **8am Sunday 20 September** and if required, from **8pm Sunday 20 September** to **5am Monday 21 September**, weather permitting.
If work can’t go ahead due to weather, we will use the following weekend of **26 September** with the same times and closures.

While **Garswood Road** is closed:

- detours will be in place to access The Northern Road, via St Andrews Drive and the newly opened traffic light intersection at Glenmore Parkway.

While **Homestead Road** is closed:

- detours to access The Northern Road will be via Kingswood Road and Wentworth Road.

Please follow the directions from traffic controllers and electronic message signs, which will be in place to assist road users through these changes to ensure the work zone is safe for workers and road users.

**Traffic changes**

The following changes will be in place once this work has been completed:

- all newly constructed turning lanes on all westbound and eastbound ramps at The Northern Road interchange with the M4 Motorway, will be fully open to traffic
- traffic on The Northern Road will flow on either side of newly constructed medians
- new traffic light configuration, including a combination of temporary and permanent signals

**How will the work affect you?**

During our work, you may experience some noise and extra light and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

**Plant and equipment**

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

**Contact**

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
