

Night work and traffic changes on the Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to install utilities including electrical, water, gas and sewage along The Northern Road between Frogmore Road and Bringelly Road. Part of this work will also take place on Aspen Street, South Penrith.

Location, date and time of work

To minimise impact on road users, we will carry out this work at night from **Friday 30 August 2019** to **Saturday 31 August 2019**, weather permitting. Access to Aspen Street and Castle Road via the Northern Road will not be available during these works.

Work is scheduled to take place at night:

- **from 10pm to 8am on Friday**
- **from 10pm to 9am on Saturday**

How will the work affect you?

During our work, every effort will be made to minimise the impacts on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access the Northern Road, at Tukara Road, Maxwell Street, Bringelly Road and Frogmore Road. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
