

Road closures on The Northern Road, Orchard Hills from Wednesday 8 January 2020

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is continuing work on The Northern Road upgrade at Glenmore Park. The project includes replacing the existing roundabout at Glenmore Parkway and Wentworth Road with new traffic lights and a service road to Penrith Golf Club.

As part of this work, we will need to temporarily close access to Glenmore Parkway and Wentworth Road, Orchard Hills.

Location, date and time of work

To minimise impact on road users, we will carry out this work, weather permitting, as follows:

Week 1: Wednesday 8, Friday 10 and Saturday 11 January

Week 2: Wednesday 15, Friday 17 and Saturday 18 January

Week 3: Wednesday 22, Friday 24 and Saturday 25 January

Our work hours will be from **9pm to 5am Wednesday** and **9pm to 9am Friday and Saturday**.

How will the work affect you?

During our work, you may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access Glenmore Parkway at Bradley Street and Glengarry Drive, with a secondary detour at Garswood Road and St Andrews Drive. Wentworth Road can be accessed via Bringelly and Kingswood Roads. The Northern Road will not be closed during this night work.

Traffic control and electronic message signs will be in place to direct road users through these changes.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
