

## Night road closures on Glenmore Parkway, Glenmore Park from Tuesday 8 October

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work on The Northern Road upgrade at Glenmore Park. The project will replace the existing roundabout at Glenmore Parkway and Wentworth Road with new traffic lights and a service road to Penrith Golf Club.

To carry out important work on the project, we will need to temporarily close access to The Northern Road via Glenmore Parkway. To minimise impact to the road network, we will need to carry out this work over **seven night shifts** during October.

## Location, date and time of work

Access to The Northern Road via Glenmore Parkway, Glenmore Park will be temporarily closed at night to construct new lanes.

To minimise impact on road users, we will carry out this work over **seven night shifts** between **Tuesday 8 October** and **Saturday 26 October**.

We will carry out the night work on:

- **Week 1: Tuesday 8 October** and **Wednesday 9 October**
- **Week 2: Monday 14 October, Tuesday 15 October** and **Friday 18 October**
- **Week 3: Friday 25 October** and **Saturday 26 October**

Our work hours will be from **10pm to 5am weekdays** and **10pm to 7am Saturday**.

## How will the work affect you?

During our work, we will make every effort to minimise the impact on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

The project team will use a variety of machinery excavate the existing road and install drainage, including excavators, bogie trucks, road saws, heavy and light vehicles, lighting towers, and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access the Northern Road at Bradley Street and Glengarry Drive. The Northern Road will not be closed during this night work.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
