

Night work and traffic changes on Homestead Road, Orchard Hills

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to install street lights along Homestead Road, Orchard Hills.

Map showing work location and road closures

Location, date and time of work

To install street lights and minimise impact on road users, we will temporarily close access to Homestead Road, Orchard Hills. We will carry out this work over on **Wednesday 27 November and Thursday 28 November 2019**, weather permitting.

Our work hours will be from **9pm to 5am Wednesday and Thursday**.

How will the work affect you?

During our work, you may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place to access Homestead Road via Wentworth Road, Kingswood Road and Frogmore Road. There will be no access to Homestead Road from The Northern Road during this closure.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
