

# Night work and temporary traffic changes on The Northern Road, South Penrith from Friday 28 June 2019

## The Australian and NSW Governments are delivering The Northern Road upgrade between Narellan and South Penrith

Dear resident,

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we will install new utilities along the Northern Road, including electrical and water, at Jamison Road, Smith Street and Parker Street.

### Map showing work location and night road closures

## Location, date and time of works

Utility installation will take place from **Friday 28 June 2019** to **Sunday 21 July 2019**, weather permitting.

Jamison Road and Parker Street will be closed at night on **28 and 29 June 2019**. Night work hours will take place on **Friday between 10pm to 8am, Saturday 10pm to 9am** and **9pm to 5am on all other days**. If work is delayed, it will be conducted on the next available night shift.

## How will the work affect you?

You will experience some noise and we will make every effort to minimise impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures and appropriate signage in place.

Electronic message signs will also be in place to direct road users through these changes between Maxwell Street and Derby Street. Detours will be in place via Fragar Road, Jamison Road, Colless Street and Bringelly Road during the road closures.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
