

Night work and traffic changes continue along the Northern Road, South Penrith from Friday 8 November Renotification

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to tie in pavement work with the existing roads on Maxwell Street and Bringelly Road, as well as install utilities.

Location, date and time of work

Access to Maxwell Street and Bringelly Road from The Northern Road will be temporarily closed at night for pavement work and utility installation. To minimise impact on road users, we will carry out this work over **six night shifts** from **Friday 1 November to Saturday 23 November 2019**, weather permitting.

We will carry out the night work on:

- **Week 2: Friday 8 November and Saturday 9 November**
- **Week 3: Friday 15 November and Saturday 16 November**
- **Week 4: Friday 22 November and Saturday 23 November**

Our work hours will be from **10pm to 9am on Friday, Saturday and Sunday.**

Traffic will be switched on Maxwell Street and Bringelly Road, in both directions onto the newly-constructed eastbound lanes on **Saturday 23 November**, weather permitting

How will the work affect you?

You may experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Sydney Water will notify impacted residents of a water outage during the work. Please contact Sydney Water if you experience water outages outside the hours specified in their notification.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures. Access to Maxwell Street from The Northern Road will be from Aspen Street. Access to Bringelly Road from The Northern Road will be from Jamison Road. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
