Night work and traffic changes on the Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to tie in pavement with the existing road and continue to install utilities, at Smith Street and Jamison Road.

Map showing work location and road closures

Location, date and time of work

To tie in pavement and install utilities along The Northern Road, we will temporarily close access to East and West ends of Smith Street and Jamison Road. Please note that these closures will not occur concurrently. To minimise impact on road users, we will carry out this work over **nine night shifts** between **Tuesday 3 December and Saturday 21 December 2019**, weather permitting.

We will carry out the night work on:

- **Week 1: Smith Street Tuesday 3 and Jamison Road Friday 6 and Saturday 7 December**
- **Week 2: Smith Street Friday 13 December and Saturday 14 December**
- **Week 3: Smith Street Friday 20 December and Saturday 21 December**

Our work hours will be from **10pm to 5am weekdays** and **10pm to 9am Saturdays**.

How will the work affect you?

During our work, you may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place to access Smith Street and Jamison Road via Maxwell Street and Bringelly Road. Access to and from The Northern Road via Smith Street and Jamison Road will not be available during this closure period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
