

Night work and traffic changes on The Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to install water utilities along Smith Street and Jamison Road.

Location, date and time of work

To minimise impact on road users, we will carry out this work from **Friday 2 August 2019 to Friday 30 August 2019**, weather permitting.

Work is scheduled to take place at night:

- **from 10pm to 8am on Fridays**
- **from 10pm to 9am on Saturdays**
- **from 10pm to 5am on all other days.**

Our work will also require us to temporarily close Smith Street and Jamison Road on some days to complete the installation of water utilities. Smith Street will be closed during the night shifts on **Friday 2 August and Saturday 3 August**. Jamison Road will be closed during the night shift on **Tuesday 6 August**.

If weather affects the work schedule, we will work on the next available night shift.

How will the work affect you?

During our work, every effort will be made to minimise the impacts on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access the Northern Road, at Fragar Road, Maxwell Street, Bringelly Road and Jamison Road. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
