

Four-month partial closure of Kings Hill Road between The Northern Road and Vineyard Road Mulgoa from Friday 9 October 2020

Transport for NSW is continuing work on The Northern Road between Littlefields Road, Luddenham and Glenmore Parkway, Glenmore Park.

We need to close Kings Hill Road between The Northern Road and Vineyard Road for up to 4 months. During this closure, the road will be upgraded and traffic lights will be installed at the intersection of The Northern Road and Kings Hill Road. Detours will be in place via **Vineyard and Longview Roads** and access for local residents will be maintained.

What will we be doing?

From **8pm Friday 9 October 2020** through until **7 February 2021** a section of Kings Hill Road between The Northern Road and Vineyard Road will be closed.

During this time, work will take place between **7am and 6pm Monday to Friday and 8am to 6pm Saturday and Sunday** to:

- Upgrade this section of road and;
- Install a set of new traffic lights at the intersection of The Northern Road and Kings Hill Road.

The work will involve using heavy machinery; the equipment used for this work will include excavators and rock breaking equipment, road sawing equipment, trucks, cranes and lighting towers.

The work is expected to take **4 months to complete**, weather permitting. Work dates are subject to change based on the progress of the work, weather and site conditions. If any further changes occur in our work schedule, we will provide an additional notification outlining the change of dates to directly impacted stakeholders.

Traffic changes

While this work is underway, detours will be in place via Vineyard and Longview Roads and access for local residents will be maintained. Electronic message signs and traffic control will be in place to direct road users through these changes. Please allow extra travel time, especially during the peak traffic times.

Construction of the new intersection at The Northern Road and Kings Hill Road will be completed during the closure however the traffic lights will not be operational until later in 2021 when additional changes have been made to the surrounding roads.

Please adhere to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Relations Team on 1800 703 457 press 1 then press 5 or email thenorthernroad@rms.nsw.gov.au
