

Australian Government

BUILDING OUR FUTURE

June 2020

Work continues on The Northern Road between Mersey Road, Bringelly and Eaton Road, Luddenham

Transport for NSW is continuing work on The Northern Road upgrade, between Mersey Road, Bringelly and Eaton Road, Luddenham from **1 June to 30 September 2020**.

Motorists are now driving on the newly constructed southern side of the road between Mersey Road and Eaton Road with one lane in each direction. We are continuing work to complete the northern side of the road.

We will continue to carry out work across the whole project area which includes:

- installing, removing and maintaining traffic control measures including placing barriers and signage
- construction and road surface work – inclusive of asphaltting and concreting
- extending driveways at Luddenham shops and Shell Service station
- line marking and general maintenance of work area
- installing traffic lights
- landscaping.

In line with current Australian Government guidelines around slowing the spread of Coronavirus and social distancing, all work on site is being carried out at a safe physical distance where possible and necessary hygiene practices will be observed. To support industry and continue the delivery of critical infrastructure, the NSW Government has introduced new rules allowing construction sites, including public infrastructure projects, to operate on weekends and public holidays.

To ensure the safety of workers and motorists and to minimise the disruption to the road network, we will need to carry out some work outside standard construction hours which are now Monday to Sunday – 7am to 6pm (inclusive of public holidays).

When we need to carry out work outside standard construction hours, we will notify directly impacted residents and businesses.

How will the work affect you?

There may be some noise and disruption associated with this work, including vehicle movements.

We are making every effort to minimise noise and disruption to the community during construction by:

- Turning vehicles and machinery off when not in use and using less noisy equipment
- Directing noise-generating equipment and lights away from properties where possible

We will continue to notify affected residents separately before any proposed noisy work.

Traffic changes

There may be temporary traffic changes to ensure the safety of workers and motorists.

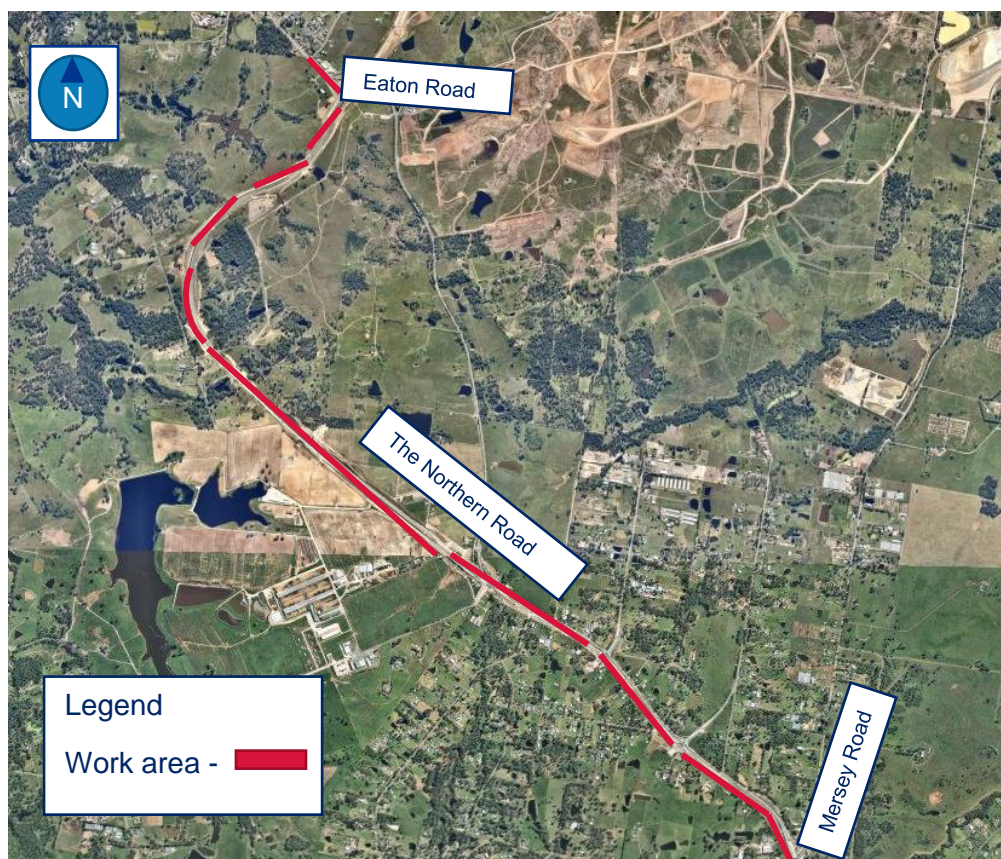

Please adhere to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Relations Team on 1800 703 457 press 1 then press 3 or email thenorthernroad@rms.nsw.gov.au

For more information on our projects, visit rms.nsw.gov.au/thenorthernroad. Thank you for your patience during this important work
