BUILDING OUR FUTURE

Temporary night time closure and traffic changes on The Northern Road between Bradley Street and Elizabeth Drive, Luddenham on Friday 16 and Saturday 17 nights October 2020

Transport for NSW is continuing work on The Northern Road between Eaton Road, Luddenham and Glenmore Parkway, Glenmore Park. As part of this work, we will work continually **from 8pm Friday 16 to 8am Saturday 17 October and from 8pm Saturday 17 to 8am Sunday 18 October** to complete the realignment of traffic lanes along The Northern Road between Bradley Street and Elizabeth Drive. **The Northern Road will be closed during this time and detours will be in place via Mulgoa Road, the M4 Motorway and Park Road.**

What will we be doing?

From **8pm Friday 16 October** through until **8am Saturday 17 October** and **8pm Saturday 17 October** through until **8am Sunday 18 October** we will work continually on the traffic realignment which will see motorists travelling north and south on the two newly built lanes of The Northern Road. This will allow us to continue work on the existing two lanes on the western side of The Northern Road, this work will include:

- moving and replacement of barriers, traffic control, lane changes and line marking
- General maintenance along the section of the alignment between Bradley Street and Elizabeth Drive.

Contingency dates of **23 October** and **24 October** are in place. These dates are subject to change based on the progress of the work, weather and site conditions. If any further changes occur in our work schedule, we will provide an additional notification outlining the change of dates to directly impacted stakeholders.

How will the work affect you?

The work will involve using heavy machinery. Equipment used for this work will include excavators, trucks, lighting towers, cranes, traffic control and construction and line marking vehicles.

We will attempt to complete the noisiest work prior to midnight.

Traffic changes

While this work is underway, local access for residents living on The Northern Road will be maintained. Electronic message signs and traffic control will be in place to direct road users through these changes.

On completion of this work traffic will be travelling north and south on the new section of The Northern Road.

Please adhere to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Relations Team on 1800 703 457 press 1 then press 5 or email thenorthernroad@rms.nsw.gov.au
