

Temporary weekend closure of Dwyer Road from Friday 31 July to Monday 3 August 2020

Transport for NSW is continuing work on The Northern Road between Mersey Road and Eaton Road, Luddenham.

Road users are now travelling on the recently opened new road section between Mersey Road and Eaton Road, which diverts around the site of the Western Sydney International Airport. We are continuing work to finish the rest of the road, including the extra lanes in each direction.

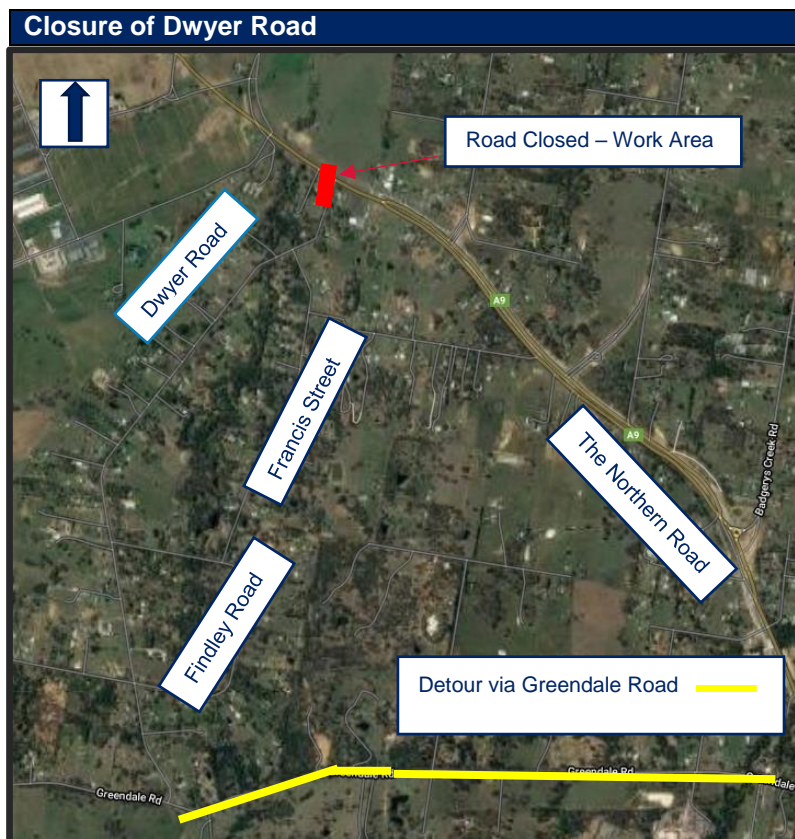

Upcoming temporary weekend road closure

There will be a temporary closure of Dwyer Road at The Northern Road at the end of July, to allow us to carry out key work to progress with the project.

This work will include:

- Milling and asphaltting
- Line marking

From **7pm Friday 31 July** to **5am Monday 3 August 2020**, Dwyer Road will be closed at The Northern Road. Detours will be in place via **Greendale Road, Bringelly**.

Date and time of work

Work will take place from **7pm Friday 31 July to 5am Monday 3 August 2020**. We also have a contingency date in place for the weekend of **Friday 7 August to Monday 10 August 2020**. This contingency would be if there is a late change to the schedule due to weather and site conditions. If any further change occurs to the proposed work schedule, we will provide a notification to let you know the change of date.

How will the work affect you?

The work will involve milling and asphaltting of the Dwyer Road intersection with The Northern Road to complete the permanent arrangement for the left in and left out turn only.

There may be some impact to residents during this work, including noise and lighting. We will make every effort to minimise these impacts by:

- turning vehicles and machinery off when not in use
- using non-tonal quackers on vehicles and machinery
- two-way radios for communication
- directing noise-generating equipment and lights away from properties where possible.

Temporary changes to traffic

Dwyer Road will be closed temporarily at The Northern Road during this work. A detour will be in place via Greendale Road. However, please allow extra travel time especially during peak traffic periods. Electronic message signs will be in place to direct road users through these changes.

Permanent changes to traffic following temporary closure

When this work is completed, traffic out of Dwyer Road onto The Northern Road will only be allowed to turn left-in and left-out. U-turn bays have been provided at traffic lights to the north and south of Dwyer Road.

Please adhere to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Relations Team on 1800 703 457 press 1 then press 3 or email thenorthernroad@transport.nsw.gov.au
