The Northern Road upgrade - changes to construction hours

Transport for NSW is continuing work on The Northern Road between Mersey Road and Eaton Road, Luddenham.

To support industry and continue the delivery of critical infrastructure, the NSW Government has introduced new rules allowing construction sites, including public infrastructure projects such as The Northern Road upgrade, to operate on weekends and public holidays.

These changes have been made to facilitate social distancing on construction sites and support the health and wellbeing of workers.

Under the new rules, work on weekends and public holidays is limited to weekday hours and cannot involve high noise generating work such as rock breaking and pile driving or similar activities.

The construction contractor for the project Georgiou Ertech Joint Venture (GEJV) will extend its working hours on Saturday/ Sunday and Public Holidays until advised this is no longer required. This will help to minimise disruption to the construction programme for The Northern Road upgrade project between Mersey Road, Bringelly and Eaton Road, Luddenham

With effect from Saturday 18 April 2020, the working hours for the project will be:

All days of the week including Saturdays/ Sundays/ Public Holidays – 7am to 6pm

Transport for NSW understands extending construction hours to weekends and public holidays may cause disruption for the community but all efforts will be made to minimise impacts where possible and ensure strict environmental conditions relating to noise, vibration and dust management are adhered to.

Contact

If you have any further questions relating to the construction, please contact:

P: 1800 703 457 Press1 and Press 3
