

## New The Northern Road opening between Mersey Road and Eaton Road, Luddenham

Transport for NSW is continuing work on The Northern Road between Mersey Road and Eaton Road, Luddenham.

We are now ready to open the newly constructed road between Mersey Road and Eaton Road, which diverts around the site of the Western Sydney International Airport. From the **morning of Friday 24 April 2020** one lane in each direction will be open while we continue to finish work on the rest of the road, including the extra lanes in each direction. In case of wet weather the road opening will be postponed to the **morning of Tuesday 28 April 2020**.

### Traffic changes

Coming from Penrith, road users will need to turn right at the new traffic lights near the Luddenham shops and drive on the new road. Coming from Campbelltown, road users will need to follow the new road around the airport site and then turn left at the lights near the Luddenham shops to rejoin the existing The Northern Road.

Traffic control and signage will be in place to guide road users onto the new road, which may affect travel times. Please adhere to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions or concerns, please contact the project Community Relations Team on 1800 703 457 press 1 then press 3 or email [thenorthernroad@rms.nsw.gov.au](mailto:thenorthernroad@rms.nsw.gov.au)
