**BUILDING OUR FUTURE**

April 2018

## **Night work and eastbound off-ramp closure on the M4 Motorway at The Northern Road, South Penrith from Friday 4 May 2018**

**The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.**

Roads and Maritime Services is continuing work to build a new interchange over the M4 Motorway at the Northern Road, South Penrith.

Work includes installing temporary barriers, building temporary access roads and concrete platforms, earthwork, building retaining walls, transporting equipment, clearing vegetation, installing or changing signage and line marking.

As part of this work, the M4 eastbound off-ramp at The Northern Road will be closed for two nights **from 10pm to 9am Friday 4 May to Saturday 5 May and again from 10pm to 9am Saturday 5 May to Sunday 6 May 2018**, weather permitting.

We are carrying out this work at night to reduce traffic impact and improve safety for workers and motorists.

### **How will the work affect you?**

Our work may be noisy at times and will involve cranes, saw cutting, loading and unloading trucks and hand tools. Every effort will be made to minimise impact on residents by:

- changing our construction methods to reduce night work impact as much as possible
- changing between work locations to minimise continuous impact on the same groups of residents
- using equipment fitted with noise mitigation devices
- monitoring noise at night.

### **Traffic changes**

Detours will be in place during the M4 eastbound off-ramp closure. This may affect travel times. We have included a map to show the location of work and detour route.

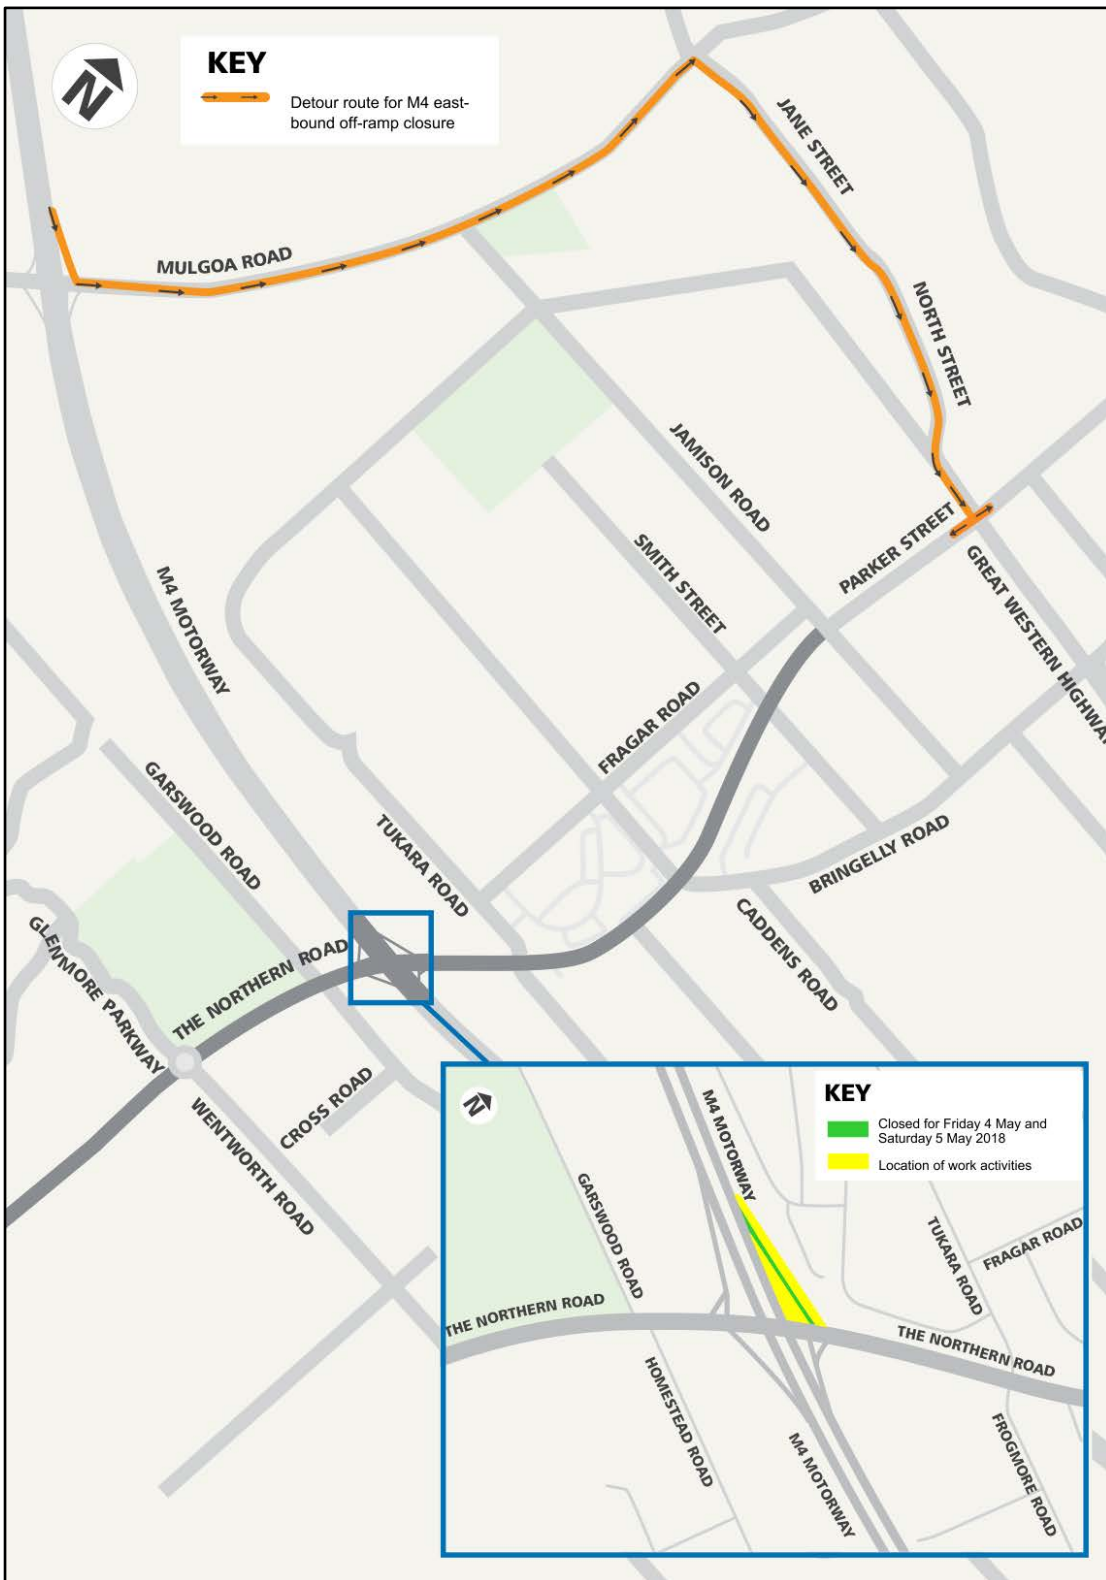

Please keep to speed limits and follow the direction of detour signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**
