**BUILDING OUR FUTURE**

April 2018

## **Operating hours for site compound on The Northern Road upgrade at South Penrith from Saturday 5 May 2018**

**The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.**

Roads and Maritime Services is continuing work on The Northern Road upgrade between Glenmore Parkway, Glenmore Park and Jamison Road, South Penrith.

As part of this work, a site compound for the project has been established at the corner of Maxwell Street and Parker Street, South Penrith.

The site compound will operate 24 hours a day, seven days a week from **Saturday 5 May 2018** until completion of the project in 2020. We will consult with and advise residents on specific work hours before any high impact, noisy work.

Activities that will be carried out at this site include:

- truck movements, including vehicles entering and exiting the site gate on Hilliger Road
- stockpiling material
- storage of machinery and equipment.

### **How will the work affect you?**

Our work may be noisy but every effort will be made to minimise impact on residents. As mentioned above, we will notify and consult with residents on specific work hours before any high impact work.

### **Traffic changes**

Traffic controllers will be on site to help work vehicles safely enter and exit our construction gate on Hilliger Road. As a result, there may sometimes be short delays to traffic on Hilliger Road.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**

Please contact our delivery partner Lendlease on 1800 870 665 or [tnr.community@lendlease.com](mailto:tnr.community@lendlease.com) if you have any questions or complaints related to this activity.
