How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impacts on residents by:

- adapting our construction methods to reduce noise as much as possible
- changing work locations to minimise continuous impact on the same groups of residents
- using equipment fitted with noise mitigation devices and monitoring noise at night.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
