

Mr Jeffrey Gilham  
Senior Project Manager  
Western Sydney Project Office  
Technical & Project Services Division  
Roads and Maritime Services

Dear Mr Gilham

**The Northern Road Upgrade (SSI – 7127) – Approval of Alternate Environmental Representative (conditions A20, A21 and A22)**

I refer to your correspondence dated 15 June 2018, requesting the approval of Mr Peter Morrall of Hutchinson Weller as the project Alternate Environmental Representative (ER). I also refer to additional supporting information provided on 3 July 2018.

I have reviewed Mr Morrall's curricula vitae and the additional information and am satisfied that he is appropriately qualified and experienced to undertake the roles and functions required of the Alternate ER. I am also satisfied Mr Morrall is independent of the design and construction personnel for the project.

Therefore, I approve the appointment of Mr Morrall as the project Alternate ER. Please ensure you provide him with the required authority and independence to undertake the tasks under condition A24.

I note that Mr Cameron Weller of Hutchinson Weller was approved as the project ER on 26 June 2018 under a separate consideration.

If you have any queries or require clarification on this matter, please contact [REDACTED], Senior Planning Officer – Roads, on [REDACTED]

Yours sincerely

 5-7-18.

Stacy Warren  
**Director, Infrastructure Management**  
As delegate of the Secretary
