We have included a map to show the location of this work.

Our work schedule

Work will be carried out at night when traffic volumes are lower to minimise impact on workers and motorists between **7pm** and **7am** from **Tuesday, 9 January** to **Wednesday 28 February 2018, weather permitting**.

Early morning concrete pours may be required as high temperatures can affect the quality of concrete. Prior to pouring, preparation work of a few hours is required. We will advise you prior to these works commencing.

In addition, the delivery and placement of fill will occur at our site compounds located at 317 Homestead Road and 2012 The Northern Road, between 8am to 6pm on Saturdays and 10am to 6pm on Sundays.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impact on residents.

Pedestrian access will change on the corner of Parker Street and Smith Street. Pedestrian access will be restricted on The Northern Road, between Wentworth Road to Bringelly Road and Glenmore Parkway to Aspen Street.

Traffic changes

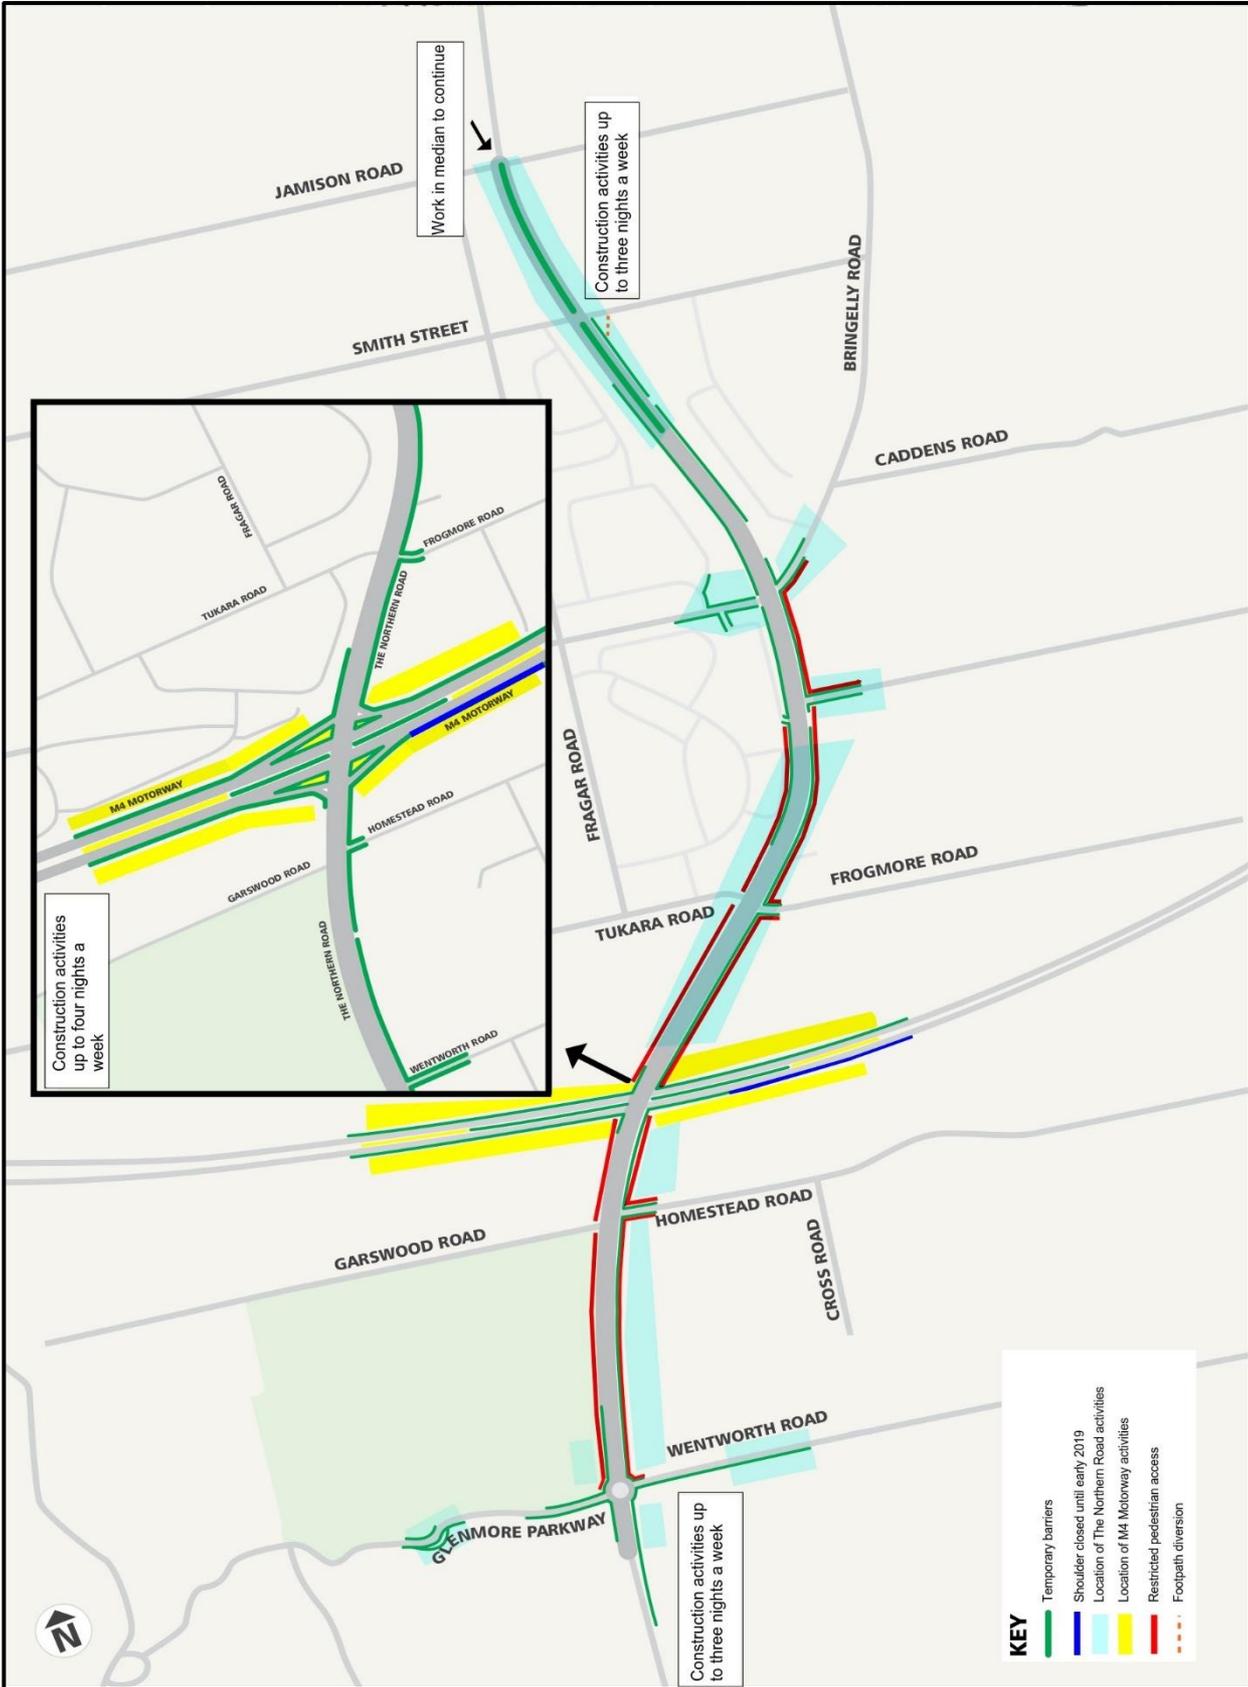

The shoulder on the M4 Motorway off-ramp at The Northern Road will be closed until early 2019. Please travel with caution and allow extra travel time as there may be delays and queuing in the lead up to the off-ramp.

For the safety of motorists and workers, there will be some temporary lane closures and traffic changes. These Lane closures may affect travel times, please keep to speed limits and follow the direction of signs and traffic controllers.
