BUILDING OUR FUTURE

September 2017

Night work continuing on The Northern Road, Glenmore Parkway, Glenmore Park to Jamison Road, South Penrith from Monday, 11 September 2017

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road upgrade between Narellan and South Penrith.

Roads and Maritime Services is widening The Northern Road between Glenmore Parkway, Glenmore Park and Jamison Road, South Penrith.

As part of this work we will continue installing barriers, building temporary lanes, installing signage and line marking.

We have included a map to show the location of this work.

Our work schedule

Work will be carried out at night between **7pm** and **7am** from **Monday, 11 September** to **Monday, 13 November 2017** including weekends, weather permitting, when traffic volumes are lower.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impact on residents.

During construction, there will be changes to how some residents will access their properties. Shared access roads will be built for residential and construction vehicles and will be used from **Sunday, 17 September 2017** until **late 2018**.

Traffic changes

There will be some temporary partial lane closures and traffic changes during the work to ensure the work zone is safe.

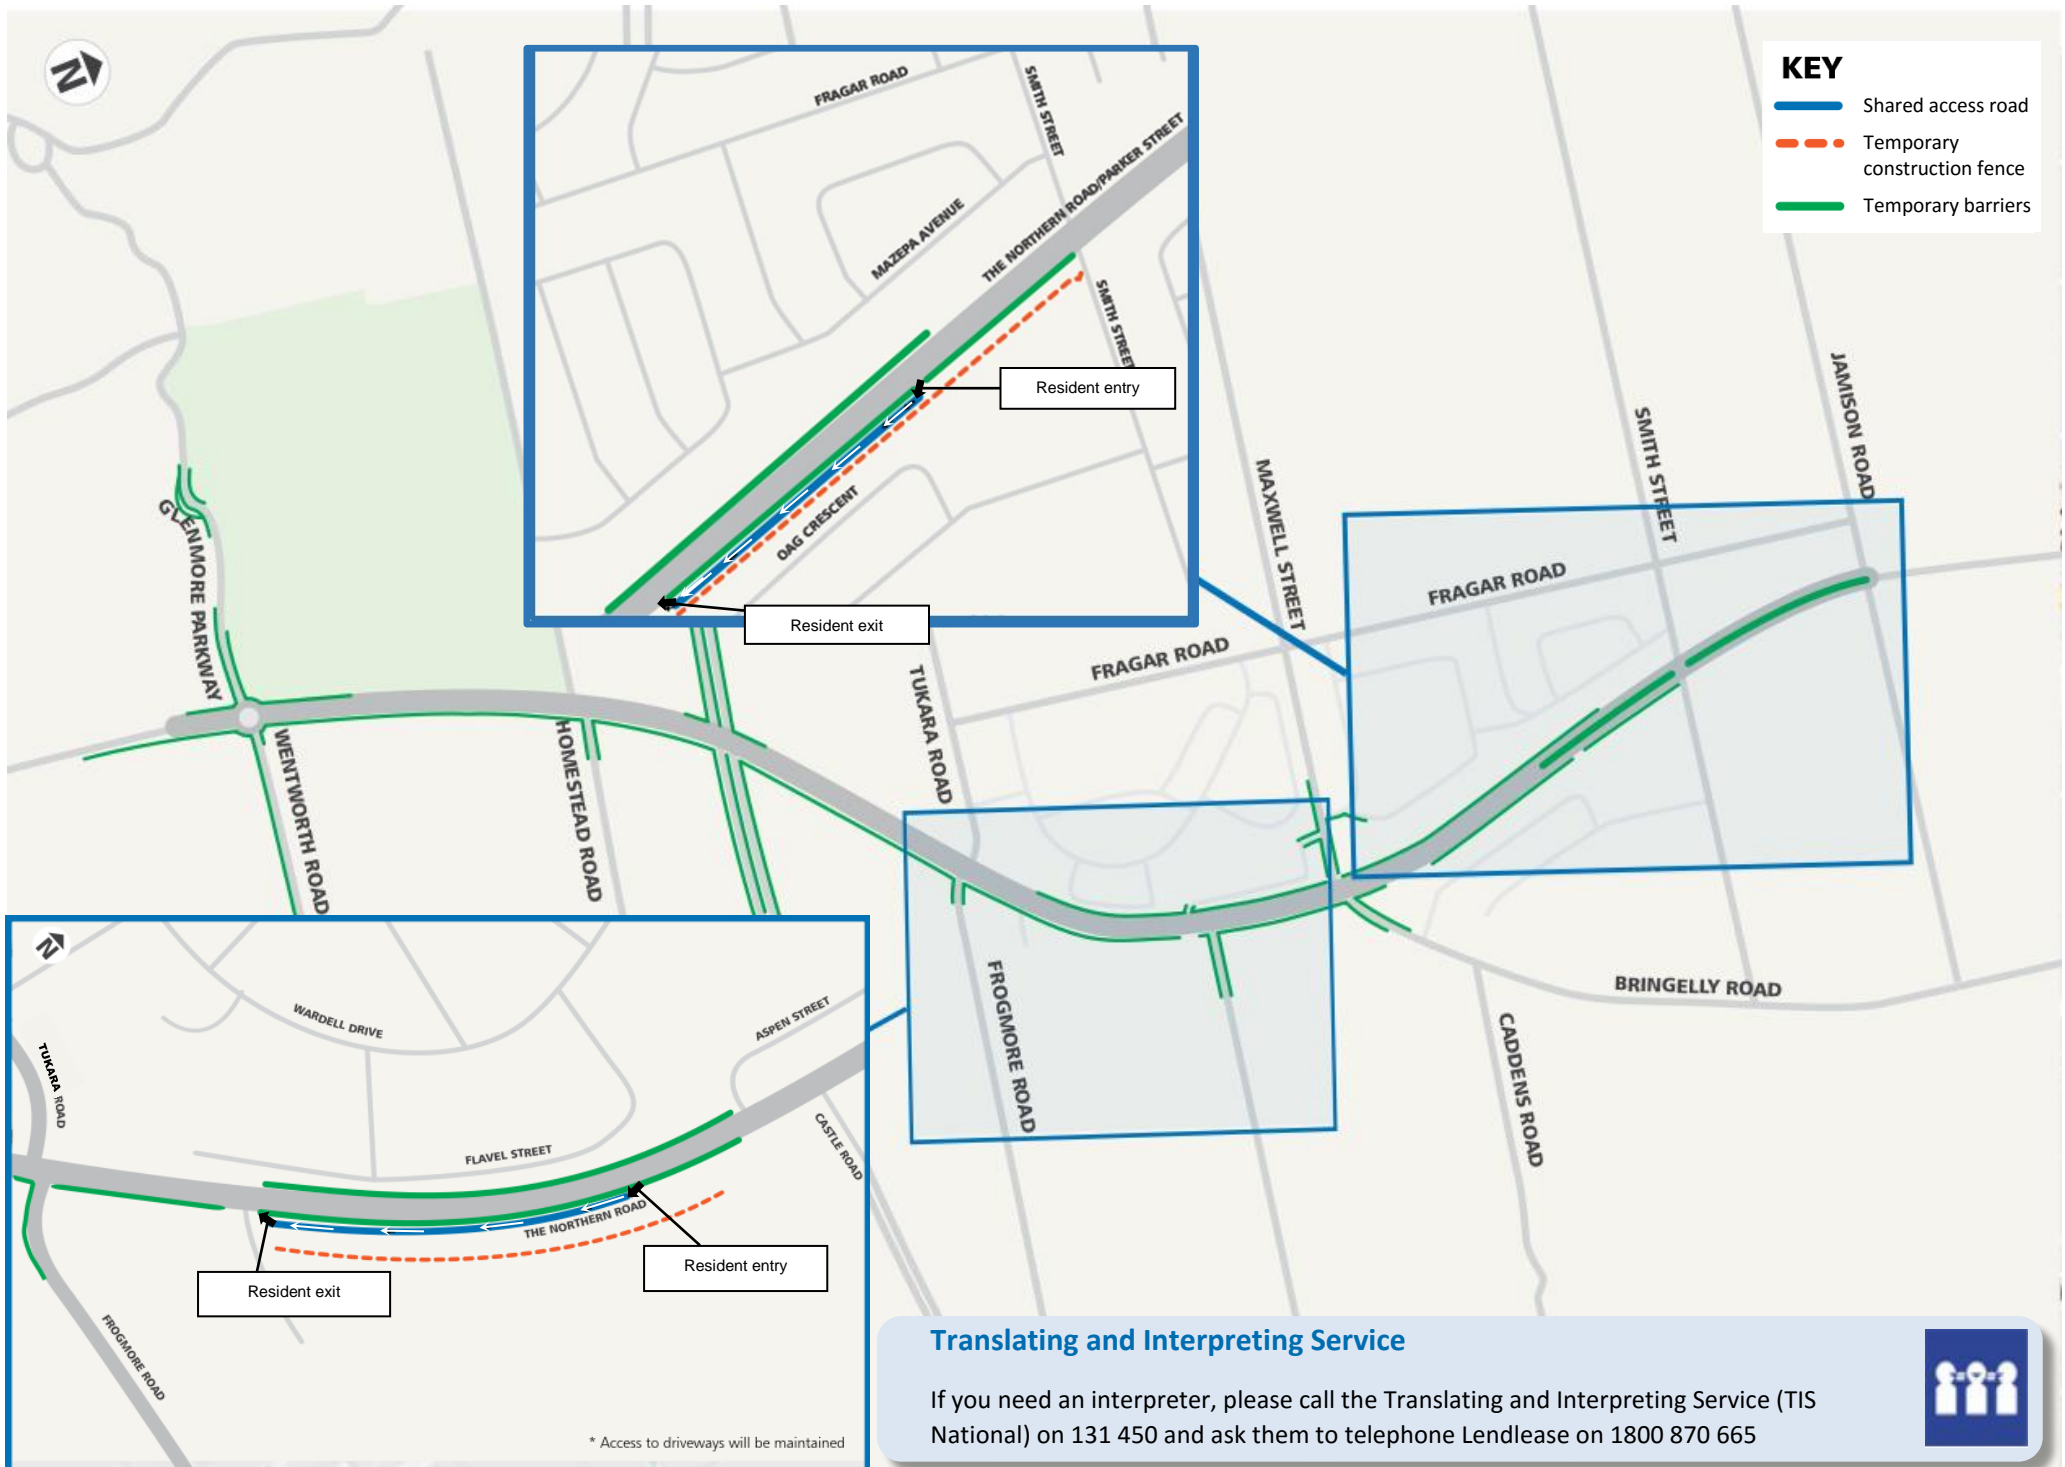

Lane closures may affect travel times, please keep to speed limits and follow the direction of signs and traffic controllers.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
