BUILDING OUR FUTURE

August 2017

Night work continues on The Northern Road, Bringelly Road to Jamison Road, South Penrith from Monday, 28 August 2017

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road upgrade between Narellan and South Penrith.

Roads and Maritime Services is starting work to build temporary lanes in place of the existing centre median on The Northern Road between Bringelly Road and Jamison Road, South Penrith.

Work includes demolition, earthwork, potholing to identify existing utility services and asphaltting.

Our work will be carried out at night, when traffic volumes are lower to minimise impact on traffic and safety of the travelling public.

We have included a map to show the location of this work.

Our work schedule

Work will be carried out at night between **7pm** and **7am** from **Monday, 28 August** to **Thursday, 30 November 2017** including weekends, weather permitting.

This work will be carried out up to **four nights** a week with no more than three consecutive nights at any one location, unless agreed with impacted residents.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impact on residents.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Temporary lane closures will be in place and may affect travel times.

To ensure the safety of motorists, the speed limit has been reduced to 40km/h through the construction zone until late November 2017. Once the work in this area is complete, the speed limit will be increased to 60km/h.

Please keep to speed limits and follow the direction of traffic controllers and signs.

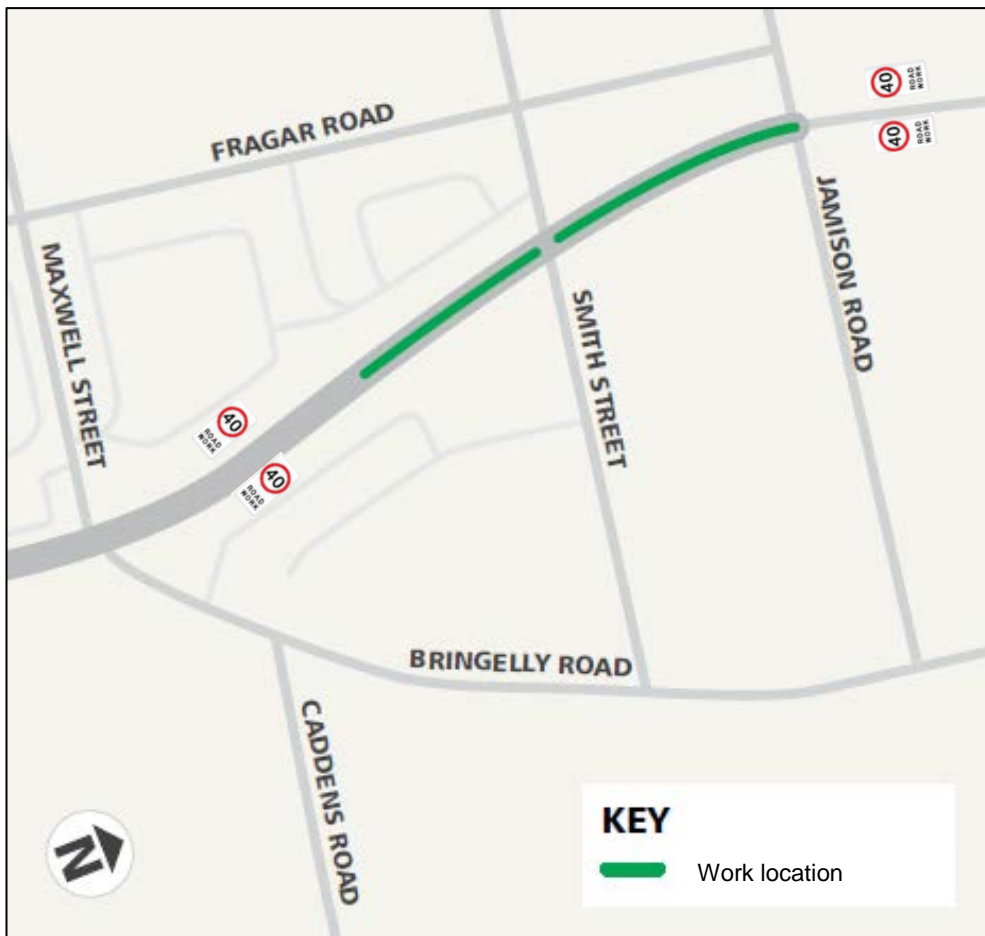

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
