

Australian Government

BUILDING OUR FUTURE

July 2017

Continuing night work on The Northern Road, Glenmore Park to Jamison Road, South Penrith from Thursday, 13 July 2017

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road Upgrade between Narellan and South Penrith.

Roads and Maritime Services is continuing to carry out work along The Northern Road and the M4 Motorway Interchange at Orchard Hills / South Penrith.

This work includes building temporary pavement, concreting, asphaltting, installing temporary barriers, removing and stockpiling topsoil, clearing vegetation, surveying and completing site investigations, earthworks and demolition. Some of this work will be carried out at night, when traffic volumes are lower to minimise impact on traffic and safety of the travelling public.

Our work schedule

Night work will be carried out between **7pm to 7am** from **Thursday 13, July 2017 to Sunday 27 August 2017** including weekends, weather permitting.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impact on residents.

Noisier activities will not be carried out in any location for more than three consecutive nights in a week, unless agreed with impacted residents.

Traffic changes

Temporary traffic changes including lane closures will be in place to ensure the work zones are safe, and these may affect travel times.

There will be changes to speed limits and traffic movement through the work zone. Please keep to posted speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. For more information on our projects, visit rms.nsw.gov.au/thenorthernroad.

Thank you for your patience during this important work.
